SUMMARY STATEMENT:

The Matanuska-Susitna Borough has received an offer for the purchase of a timber sale as illustrated in the enclosed Susitna River Timber Sale Map. The Susitna River Timber Sale was offered by competitive sealed bid after complying with the required 30-day public notice. No bids were received. Subsequently, the timber sale was offered over-the-counter, in accordance with MSB 23.20.130(A). Great Alaska Bowl Company Inc submitted an acceptable bid on the timber sale.

The timber sale contract will allow Great Alaska Bowl Company to harvest and remove the merchantable spruce timber damaged or killed by the bark beetle as well as all birch greater than seven inches diameter at breast height by December 31, 2025. The land in which timber harvesting will occur has been classified Resource

Management and Watershed. The timber sale was offered to reduce fire danger in the neighborhood and improve forest health.

Access to the subject area will need to be developed by the Purchaser. Several roads, including Parks Highway, are nearby, and informal unrecognized trails provide physical access to the timber sale.

RECOMMENDATION:

Staff respectfully recommend Assembly adoption of the Resolution authorizing the Borough Manager to enter into an agreement with Great Alaska Bowl Company Inc for the Susitna River Timber Sale (MSB006573).
