SUMMARY STATEMENT: This resolution is sponsored by Assemblymember Sumner in response to public comment provided at the October 8, 2019 joint Assembly/Planning Commission meeting.

The Alaska Marijuana Control Board ("AMCO Board") recently granted a limited cultivation facility license #17692 to Mr. Happy Farms LLC at 3900 Sierra Street. The property upon which the facility is located shares a real property boundary with the property of Shaw Elementary School.

While the Matanuska-Susitna Borough does not regulate limited cultivation facilities, the Borough does expect the AMCO Board to act in the public's best interest when applying regulations.

The attached resolution requests that the AMCO Board reconsider its decision for the reasons noted in the resolution.
