Assemblymember Nowers moved a primary amendment by inserting the following ballot language:

Proposition No. ____

Advisory Vote on Motor Fuel Excise Tax

Currently in Mat-Su, almost all of the money to pay for local road improvements comes from property taxes paid by property owners. To broaden this tax base, the Matanuska-Susitna Borough could adopt a 7-cent-per-gallon motor fuel tax for a 1.5 year trial period as shown in Ordinance Serial No. 25-076. The tax would generate an estimated \$5 million annually, which, with direction from the Assembly, could be spent to offset property taxes and fund road construction and maintenance.

Should the Matanuska-Susitna Borough enact a 7-cent-per-gallon motor fuel tax for a period of 1.5 years, automatically ending after that period and direct the Borough Manager to prepare future budgets allocation 30 percent of the revenue raised from the tax to be spent to reduce property taxes and 70 percent to be spent on voter-approved road projects?

NOTE: This vote is advisory only, and any legislation would still need to be adopted by the Assembly.
