SUMMARY STATEMENT: This ordinance is sponsored by Assemblymember Sumner to remove term limits from the Agriculture Advisory Board.

The Agriculture Advisory Board has the duty to review issues specifically related to and affecting Borough agriculture lands and advise the Assembly and Manager on such matters.

The 12 member board is intended to consist of members with a wide variety of backgrounds and talents. With a 2 term limit, the Agriculture Advisory Board is placed in situations where someone with talent and expertise can no longer serve. This puts pressure on the board which is not as effective after losing talent and does not serve the best interests of the Borough Assembly to lose

the expertise.

As always, simply because there are no term limits, it is not a guarantee that someone will be re-appointed by the Mayor or re-confirmed by the Assembly. The Mayor always retains power of appointment and the Assembly always retains power of confirmation and may reject a persons application if they see fit to do so.

RECOMMENDATION OF ADMINISTRATION: Introduce and set for public hearing.
