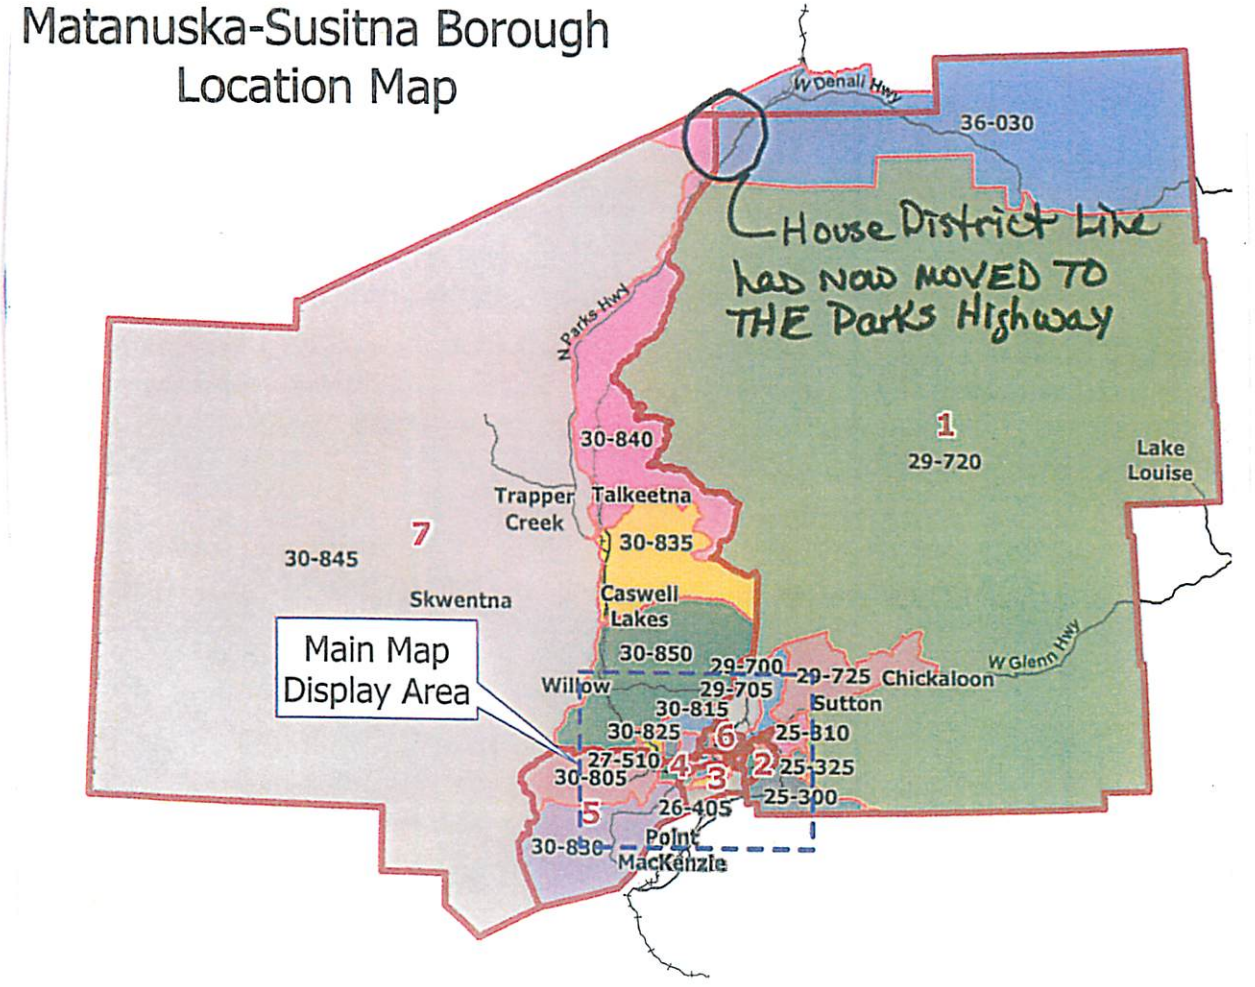
Assemblymember Sumner Proposed Amendment OR 22-047

I move to amend Ordinance Serial No. 22-047, the map, by moving the line (in the blue area shown on the map) from precinct 36-030 into precinct 30-840, District 7, to make the Parks Highway the boundary.


This amendment is at the request of staff. The Redistricting Board has changed the house district line for the northern part of the Borough. The house district line used to be the red line in the northern area and they have now moved that line to the Parks Highway.
