Good afternoon Lonnie,

I would like to move to reconsider OR 24-010 and the associated IM 24-013. Please let me know if you need anything additional from me.

Thank you.

Lonnie,

The reason I am asking for reconsideration is this ordinance isn't about appointments, projects, or administrative policy. This is about changing how we conduct the people's elections and should be put to a vote of the people.
