ATTACHMENT(S): Renewal Term Pricing (7 pp)

**SUMMARY STATEMENT:** The Borough has been using an enterprise resource planning (ERP) system called New World ERP (formerly LOGOS) from Tyler Technologies since 1991. This software is used for enterprise financial management, procurement, accounts payable, time keeping, payroll, and HR functions.

This 3-year license renewal provides the Borough with sustainable pricing for budget purposes. Building in an agreed-upon 5% price increase year over year.

The Borough may terminate maintenance and support services effective on the final day of the fiscal year in the event funds

Page 1 of 2 AM No. 25-078

are not appropriated for the renewal within 30 days written notice.

RECOMMENDATION OF ADMINISTRATION: Authorization to renew a 3-year license agreement for the Borough's Financial software (New World) with Tyler Technologies in the total amount of \$801,680.04 to cover July 1, 2025 through June 30, 2028.

#### **AMENDMENT**

This amendment ("Amendment") is effective as of the date of signature of the last party to sign as indicated below ("Amendment Effective Date"), by and between Tyler Technologies, Inc. with offices at One Tyler Drive, Yarmouth, Maine 04096 ("Tyler") and the Matanuska-Susitna Borough, with offices at 350 East Dahlia Avenue, Palmer, Alaska 99645 ("Client").

WHEREAS, Tyler and the Client are parties to an agreement dated May 2, 2023 ("Agreement"); and

WHEREAS, that Agreement is referred to as "Tyles Main SAAS Agreement 2022-373247-T9B3K7",

WHEREAS, the Term of the Agreement expires June 30, 2025 ("Expiration Date");

THEREFORE, in consideration of the mutual covenants contained herein, Tyler and the Client agree to modify the Agreement as follows.

- 1. The Section A—Definitions and "Investment Summary" reflected in its Exhibit A is modified by **Exhibit 1** to this amendment which is renewal pricing.
- 2. The Section A Definitions is modified as follows:

<u>Defect.</u> Means a failure of the Tyler Software to substantially conform to the functional descriptions set forth in **Exhibit 2** to this amendment, or their functional equivalent. Future functionality may be updated, modified, or otherwise enhanced through our maintenance and support services, and the governing functional descriptions for such future functionality will be set forth in our then-current Documentation.

3. The Section F (1) – Term and Termination is modified as follows: <u>SaaS Term</u>. The term of the Agreement is hereby renewed for three (3) years, commencing on the day following the Expiration Date (for the purposes of this Amendment, the "Renewal Term"). After the completion of the Renewal Term , the Agreement will renew automatically for additional one (1) year terms at our then-current SaaS Fees unless terminated in writing by either party at least sixty (60) days prior to the end of the then-current term. We will provide you with notice of any increase in SaaS Fees no less than

sixty (60) days prior to the commencement of subsequent terms annual terms.

4. Section B (2) – SAAS Services is amended as follows:

SaaS Fees are invoiced annually in advance of each July 1, 2025. SaaS Fees for the Renewal Term are set forth in Exhibit 1 and include a year-over-year increase of five percent (5%). Thereafter, annual SaaS Fees shall be at then-current rates. In the event the Agreement is amended during the Renewal Term to add or remove SaaS modules or

annual services, the new total of annual fees under the Agreement shall be adjusted accordingly, with new items subject to the five percent (5%) increase on the next annual billing period.

- 5. This Amendment shall be governed by and construed in accordance with the terms and conditions of the Agreement.
- 6. All other terms and conditions of the Agreement shall remain in full force and effect.

#### Comment

- Annual SaaS recurring fee will include software and hosting services.
- Data Storage Capacity currently has no limitation given the existing configuration.
- •Recurring SaaS fee is based on an annual commitment for an unlimited number of users, with a limit of one hundred (100) concurrent users at any given time.

- •Additional concurrent users will be billed at our then current rate, which is currently \$1,750 per user annually.
- •Recurring SaaS fee is for three (3) environments (Live, Test, and Train), with a Hosting minimum difference of

\$26,000.

#### MATANUSKA-SUSITNA BOROUGH

# Exhibit 2 Tyer Technologies New World SaaS Functional Requirements

<u>Utility Management</u> (Utility Billing (Water/Sewer), Meter & Device Inventory, Service Order Processing, integrated CC Processing)(Community Development – Parcel Management)

- Cycle billing, including bill form(s).
- AMR functionality import and export.
- Lockbox (if used).
- Bad debt files (if used).
- Bank drafting (if used).
- Delinquent processing, including any statements.
- Mail merge docs.
- Any custom forms and reports not covered above.
- eSuite functionality, including profile creation and password reset, and the ability to view bills.
- Payment interface (with, Open Edge, Tyler and Enterprise Payments, depending on which one they are using).
- Any UM-related Content Manager functionality.
- Any UM-related Cashiering functionality (if used).
