SUMMARY STATEMENT: In order to continue providing scalable highly available secure network access to the Matanuska-Susitna Borough enterprise network and replace aging information security equipment that no longer meets the information security needs required, the Matanuska-Susitna Borough Information Technology department is requesting authorization to purchase new information security equipment replacements as part of annual equipment lifecycle refresh from World Wide Technology, LLC. The Matanuska-Susitna Borough Information Technology department performed extensive research for a replacement of existing security appliances, as part of this research the IT department consulted with multiple industry experts in order to identify the appropriate solution that met industry best practices in regards to network security and the Matanuska-Susitna Boroughs network infrastructure needs.

MSB 3.08.360 allows the borough to enter into procurement agreements when it is in the best interest of the borough. OMNIA Partners, Public Sector solicits, evaluates and awards contracts through a national competitive solicitation process on behalf of its members. Members can choose these contracts and procurement processes which satisfy borough solicitation requirements and avoid duplication of the process.

A cost proposal was requested, received and deemed acceptable from World Wide Technology, LLC.

Delivery is expected by June 1st 2023.

RECOMMENDATION OF ADMINISTRATION: Authorization to purchase Network security appliances from World Wide Technology, LLC for the amount of TWO HUNDRED THIRTEEN THOUSAND THREE HUNDRED SEVENTY AND 72/100 DOLLARS (\$213,370.72).
