Mayor DeVries,

My name is James (Jim) Hazlett. We met at the Liberty Candidate training on Saturday. We spoke about the open seat on the borough's Advisory Board of Agriculture. I have been a Wasilla resident since 1995.

I have done limited research on the board's ongoing work on parcel size for future agricultural land sales. I believe I have a wealth of knowledge which would benefit the board on the issue as well as future board efforts. Please review some of the experiences I can bring to the table.

I was raised on a dairy operation in NW PA. In addition to cattle, we raised pork, chicken, and horses. Included in our operation was a 3-acre vegetable garden for family consumption.

I served 20+ years in the USAF. During my tenure I served as the Environmental Coordinator for a 325-person squadron. I oversaw 17 hazardous material sites and 14 hazardous waste sites. Served on multiple base wide inspection teams. I received an Honorable Discharge at retirement in 1999.

I received a BS degree from UAF in 2006, while attending classes here in the valley. I achieved an overall GPA of 3.5.

I interned with Natural Resource Conservation Service (NRCS) in the Wasilla Field Office where I was hired full time as a Soil Conservationist, upon graduation. Retiring as a GS-9, level three planner in 2024.

I worked with all sorts and sizes of agriculture producers in six different Soil and Water Conservation Districts. My service was from Whitter to Mt. Susitna, to Cantwell, over to McCarthy, down to Valdez. Including both rural and urban planning.

As a level three planner I wrote, and approved conservation plans for operations from 0.25 acres to 400 plus acres. These took environmental, wildlife, erosion, endangered species, and cultural resources into consideration.

Operations ranged from field and greenhouse vegetable production to flowers, forage, and livestock. Flowers included Dahlias and Peony operations. Livestock varied from domestic to Musk Ox, Bison, and Elk. Included are plans written to improve moose browsing and small game protection.

Specialized plans for nutrients, pests, grazing, and forest management were also written to compliment farm conservation plans.

I provided job training to non-level three planners in my assigned service area.

Among my duties were the writing and management of contracts to assist operators achieve their individual plan goals. Some exceeded \$250,000.00.

In addition to the skill sets above, I have experience in soils management and health, wastewater runoff, streambank restoration, and wildlife habitat improvement.

I hope this allows you to better understand the skills I would bring to the board as they develop recommendations for the borough's future.

Your kind consideration is greatly appreciated.

James Hazlett

COLORADO PARKS & WILDLIFE

ADA Accommodation Permits for Hunters with Disabilities

Colorado Parks and Wildlife offers reasonable hunting accommodation permits to customers with disabilities, as defined by the Americans with Disabilities Act (ADA). These accommodations are granted to individuals who have significant impairments to their daily major life functions, not on their ability to participate in specialized activities such as hunting.

Important facts about ADA Accommodation Permits:

- Colorado Parks and Wildlife does not honor accommodation permits or applications from other states and/or countries. Customers wishing to utilize an accommodation in Colorado must be approved through our application process to be granted an accommodation.
- Accommodation permits are not licenses; permit holders must still purchase hunting and fishing licenses to participate in these activities.
- Possession of an accommodation permit does not exempt the permit holder from obeying all hunting, fishing, and property-use laws.
- Accommodations may be granted on either a temporary or lifetime basis, depending on the information provided by the applicant's medical provider.

How to request an Accommodation Permit:

Hunters who wish to request an accommodation permit(s) should complete the ADA Accommodation Permit Application. Please note that applications may take up to 30 days to be processed.

Completed applications may be submitted by:

Mail SHALAMA	Email: 720 602-6422
Colorado Parks and Wildlife Attn: ADA Accommodation Permits 6060 Broadway Denver, CO 80216	disability.apps@state.co.us 720-602-6422

Commonly Requested Accommodations

Note: this list is not all-inclusive and other accommodations may be requested for specific disabilities.

- Crossbow or Draw-Loc during archery season.
 - Conditions that typically qualify include: inability to reach above head, limited range of motion in arms and/or shoulders, decreased grip strength, decreased finger/hand coordination, inability to push

or pull, etc.

- **Shoot from motor vehicle/OHV**
 - Conditions that typically qualify you to shoot from a vehicle include: use of a prescribed mobility device such as a wheelchair, crutches, braces, etc., documented severe difficulty getting in/out of a vehicle, problems with standing or balancing, and/or a medically valid need for controlled temperature and environment. CPW does not grant accommodations to shoot from a public road.
- **Assistant to track and dispatch wounded game**
 - If you cannot track and retrieve wounded game, this accommodation allows an assistant to do it for you. CPW does not grant accommodations allowing off road OHV access for the purposes of game retrieval.
- **Scopes with magnification greater than 1X on crossbow**
 - Requires documentation of a visual disability in Section 2 as defined by the Americans with Disabilities Act (ADA). Hyperopia, myopia, and presbyopia are not considered disabilities under the ADA and will not qualify for an accommodation. Age-related visual impairments will not qualify. NOTE: CPW allows the use of non-magnifying scopes and red dot sights that magnify 1X or less with a Crossbow/Draw-Loc permit. This accommodation does NOT allow laser or battery operated/electronically powered devices that are attached to or incorporated into the crossbow which aid in range finding and/or aiming or a sighting device that emits light from a crossbow to the animal. The intent of these seasons is to provide a "primitive" style recreational opportunity for hunters.
- **Scopes on Muzzleloader**
 - Requires documentation of a visual disability in Section 2 as defined by the Americans with Disabilities Act (ADA). Hyperopia, myopia, and presbyopia are not considered disabilities under the ADA and will not qualify for an accommodation. Age-related visual impairments will not qualify. For example, this accommodation may be appropriate if you have a visual disability that does not allow you to focus on the front sight, rear sight, and animal at the same time.

Frequently Asked Questions

1. **How do I check on the status of an application I submitted?**
 - A. Applications submitted less than 30 days ago will not receive status updates due to the volume of applications we receive. If an application was submitted more than 30 days ago and the applicant has not received any notice, please reach out to us via email (disability.apps@state.co.us) or by phone (303-291-7235) for assistance.
2. **When should requests for temporary accommodation permits be submitted?**
 - A. 30-60 days before the start of the desired hunting season.
3. **Can previously submitted paperwork that was approved for a temporary accommodation permit be used to re-submit a temporary permit for this year's hunting seasons?**
 - A. No. Temporary accommodation permits must be resubmitted each year with an updated application and information from the applicant's doctor.
4. **Can CPW accommodate other disabilities with needs that may not be met by one of the above-mentioned permits?**
 - A. Colorado Parks and Wildlife may provide such accommodations if they are reasonably required to allow the customer to participate in wildlife recreation and do not significantly alter the purpose of the Division property or program for which the accommodation is requested, jeopardize the safety of the applicant or any other person, or pose undue hardship to the Division.
5. **Can a customer utilize their crossbow accommodation permit from another state while hunting in Colorado during archery season?**
 - A. No. Colorado does not honor crossbow, or any other accommodation permits, issued from other states or countries. The customer must be approved through the CPW application process to utilize a crossbow during archery season in Colorado.

- 6. Can customers with a Shoot from Vehicle/OHV permit use their vehicle/OHV on any roads while in the field?**
 - A. Vehicle access and use is regulated by the specific land management agency or landowner of properties you wish to hunt. CPW cannot grant vehicle access, off-road access, or off-trail use on property not managed by CPW. Contact the appropriate land management agency (i.e. US Forest Service, BLM, etc) to obtain information on travel use and restrictions within their jurisdiction.
- 7. When utilizing the Aid to Track/Dispatch accommodation permit, does the permit holder's assistant have to use the same method of take as the permit holder?**
 - A. Yes. The assistant must use the same method of take as the issued license and/or permit. For example, if the permit holder is utilizing a crossbow permit, the assistant must use either a crossbow or standard compound bow to dispatch the animal.

House of Representatives

HONORING SCOTT LINDBLOOM

HON. TOM O'HALLERAN
of Arizona
in the House of Representatives

Tuesday, July 10, 2018

Mr. Speaker, I rise today to acknowledge Mr. Scott Lindbloom of Show Low, Arizona. Scott dedicates a significant part of his life to improving the lives of people like himself who have an intellectual or developmental disability. This week, the National Association of Councils on Developmental Disabilities is honoring Scott for his work to empower people with intellectual and developmental disabilities. I would like to offer my congratulations to him.

I met Scott at the Arizona Developmental Disabilities Planning Council booth at "Show Low Days" in June 2017. We spoke about Scott's work to advocate for critical legislation to meet the needs of people with developmental disabilities in my district. Scott believes, as I do, that every person, regardless of ability, should be able to participate fully in their community.

Our initial meeting helped kickstart the Disability Advisory Council in my district, the aim of which is gathering information from my constituents about whether federal programs and proposed legislation meets the needs of rural Northern Arizona residents with disabilities. The group now meets quarterly in the Arizona White Mountains.

In addition to his participation in the Disability Advisory Council, Scott also volunteers at the Show Low Chamber of Commerce, where he has helped to create internships for high school students with developmental disabilities so that they can gain workplace skills and experience.

I wholeheartedly congratulate Scott for receiving the Champion of Equal Opportunity Start Your Journey award and thank him for his work to improve the lives of people with intellectual and developmental disabilities.
