 Ordinance Serial No. 21-046 (3 pp)

SUMMARY STATEMENT:

The Community Development Department requests Assembly approval to extend the management agreement between the Borough and the Willow Area Community Organization (WACO) for a one year term during the construction of the new Willow Library and the community center upgrades. Furthermore, WACO requests modification of specific shared expenses during the construction period.

Adopted MSB Title 23.10.160(E) and the Land and Resource Management Policy and Procedures, Part 40-1, Management Agreements, subpart 3.4 requires, "any management agreement term that exceeds five

years requires assembly approval by ordinance." The current five year management agreement between the Borough and WACO expires June 29, 2021. With construction underway at the Willow Library and community center upgrades and expected completion date of November 2021, Borough staff is requesting a one year extension of the agreement to allow the drafting of a new management agreement to reflect the upgrades, shared expenses, and shared common areas.

At this time, WACO is not occupying the community center in order to allow the contractor access to perform the community center upgrades. At the request of WACO, Borough staff is proposing to modify specific expenses during this period, which include the electric, oil, snow and ice removal, and garbage as outlined below.

CURRENT SHARED EXPENSES:

Electric - The Borough reimburses WACO 22.5% per month.

Oil - Heating fuel costs split 50/50.

Snow and Ice Removal - Costs split 50/50

Garbage - WACO costs \$67 per month.

PROPOSED MODIFIED SHARED EXPENSES:

Electric - The Borough reimburses WACO 75% per month.

Oil - Heating fuel costs split 75% Borough/25% WACO.

Snow and Ice Removal - Costs split 75% Borough/25% WACO.

Garbage - WACO costs \$17 per month.

The modified shared expenses are temporary and will remain in effect until such time WACO can move back into the community center. Upon reentry and access to the community center, WACO's shared expenses will revert to those applicable under the original agreement and will remain in effect until both parties approve a new management agreement that reflects the remodeled space and amenities, and the shared areas and expenses with the Willow Library.

RECOMMENDATION OF ADMINISTRATION:

Notwithstanding Title 23.10.160(E) and the Land and Resource Management Policy and Procedures, Part 40, Management Agreements, subpart 3.4, Borough staff is recommending assembly approval to extend the current management agreement for a one year period that expires June 29, 2022, and the temporary modification of the shared expenses during the construction period.
