**SUMMARY STATEMENT:** Between January 1 and January 4, 2022 the Matanuska-Susitna Borough experienced a severe winter storm with straight-line winds. A Borough, State and Federal disaster declaration was issued on March 14, 2022. Allowed costs are eligible for 75% federal and 25% state funding assistance.

As a result of the windstorm, the Matanuska-Susitna Borough sustained severe damage to borough schools, public facilities, and infrastructure. Since the event, employees from the borough, state (DHS&EM), federal (FEMA), and school district have been working to gather information, identify damages, conduct inspections, and formulate projects so grant funds can be awarded. Award documents will be issued by project, after project worksheets (PW) are generated, until all eligible projects have been obligated. This legislation, if approved, will accept, and appropriate the Obligating Award Document (OAD) in the amount of \$18,700.00 for PW0007 Brett Memorial Ice Area Locker Room Building Roof.

As the remaining projects are awarded, additional legislation will be brought forward. The total amount for all projects from the 2022 January Mat-Su Windstorms Disaster has not yet been determined.

**RECOMMENDATION OF ADMINISTRATION:** Respectfully request adoption of the legislation to accept and appropriate disaster relief funds from FEMA and DHS&EM for the 2022 January Windstorms Disaster and approve the scope of work and budget for Project No. 55030, Fund 445.
