ATTACHMENT (S): Resolution Serial No. 24-126 (2pp)

SUMMARY STATEMENT: This resolution is being brought forward at the request of and sponsored by Assemblyman Fonov.

On November 5, 2024 the voters of the Matanuska-Susitna Borough authorized the sale of bonds for the construction of an new facility for Academy Charter School.

Academy Charter School, a public school of the Matanuska-Susitna Borough School District, desires to expand its educational program to serve additional students in its K-8 program, and to also grow its operations to begin serving students in grades 9-12. To provide more services to the existing K-8 program, and account for a new 9-12 program, the school will require an addition to support the needed education space. Academy Charter School is located on Borough

owned land with no annual lease payment and the existing site has space to accommodate new facilities.

Use of an alternative delivery method offers an opportunity to accelerate the design and construction of this facility and ensure that the project is delivered within budget.

RECOMMENDATION OF ADMINISTRATION: Respectfully request approval.
