XII. MAYOR, ASSEMBLY, AND STAFF COMMENTS

Mr. Spiropoulos advised that he and Ms. Bodolay will be at the National Attorney's Conference and will not be present at the next meeting.

Assemblymember Bernier thanked those that attended the meeting and said a prayer.

Assemblymember Hale thanked the public who testified to concerns with the language that was added to the election brochure. He noted that he agrees with them that it was a partisan statement and has no place in the Borough's election brochure. He further added that something of this magnitude should have had public input. Noted that he voted against the amendments that included it, but voted in support of the main motion to adopt the amended election brochure. He stated his regret that he did not vote against it.

Assemblymember Nowers spoke to the need to be cautious in what is included in future election brochures. Spoke in opposition to political violence and in support of free speech.

Assemblymember McKee spoke to her appreciation for the testimony that was provided and the civility with which it was presented.

Mr. Brown addressed the public testimony that the Borough is raising land assessment values by 400 percent or more in the Butte area. Related that a screenshot of a training tool was either taken out of context or misunderstood, giving rise to the rumor that the Borough was trying to pull a fast one. Advised that at no time was the Borough considering such a massive correction to the inventory of land values. Stated that the Assessor annually reports to the Assembly on land valuations, prior to tax assessments being sent out. Noted he was excited to announce that he signed a new permit for Alaska Range Resources for a Port District permit, for a mining exploration contract.

Ms. McKechnie spoke to the number of election workers that are still needed. Noted that there is training and compensation provided.

Assemblymember Sumner thanked everyone that testified to their concerns about the election brochure. Noted that the Assembly does not always get everything right and that he has regrets as to how it has played out. Spoke to concerns with the length of the state and federal priorities legislation that will be up for public hearing at the next meeting. Advised that he will be making a motion to split it up into shorter more prioritized lists.

Assemblymember Gamble expressed concern about the assessment training tool being released to the public.

Mr. Brown spoke to the speed with which misinformation travels on social media. Summarized to how property values are determined. Noted that it was a training document and publicly available record, with sample values listed at four to five times the normal assessment. Noted that the Borough strives for transparency with all things and that the release of the training screenshot is not something to be concerned with because the Borough has nothing to hide. Noted that there is a disparity in land values all over the Borough and they need to be brought into equal standing.

Assemblymember Gamble spoke to his pleasure with the success of the Port MacKenzie open house. Noted how well attended it was. Thanked Mr. Brown and staff for their hard work on the event.

Assemblymember Fonov spoke to his desire to be able to correct the public when they speak to misinformation. Spoke to his decision to move the amendment to the election brochure. Noted his admiration of Charlie Kirk.

XIII. EXECUTIVE SESSION

There was no executive session.

XIV. ADJOURNMENT

The meeting adjourned at 9:12 p.m.
