SUMMARY STATEMENT: Between January 1 and January 4, 2022, the Matanuska-Susitna Borough experienced a severe winter storm with straight-line winds. A Borough, State and Federal disaster declaration was issued on March 14, 2022. Allowed costs are eligible for 75% federal and 25% state funding assistance.

As a result of this disaster, several Project Worksheets (PWs) were formulated, and Obligating Award Documents (OADs) were issued. It was discovered while providing supporting documents for reimbursement that many of the OADs had expenditures that were not accounted for. These amendments accommodate the shortfall and increase disaster funds by \$40,519.63 collectively.

RECOMMENDATION OF ADMINISTRATION: Respectfully request adoption of the legislation to accept, appropriate and approve the amended budget for additional disaster relief funds from FEMA and DHS&EM for the 2022 January Mat-Su Windstorms Disaster and approve the amended budget for Project No. 55030, Fund 445.
