

I move to amend Ordinance 26-021 by adding language to repeal subsections (C) and (D) of MSB 17.30.020 Applicability as follows:

Section (). Repeal of subsections. MSB 17.30.020(C) and (D) are hereby repealed in their entirety.

REASONING: Large gravel pits have the same impacts on surrounding properties in terms of dust, traffic and noise whether the gravel is for sale or not. These sections provided exemptions from permitting for gravel operations that were accessory to other uses or where the gravel was not for sale. This closes a loophole that treated large gravel pits differently even though the impacts are the same for surrounding property owners.
