SUMMARY STATEMENT: This ordinance is sponsored by the Borough Manager. The accompanying ordinance enacts areawide animal care

authority for the Matanuska-Susitna Borough pursuant to AS 29.35.210(b). This action transitions animal care responsibilities from the current non-areawide structure—wherein the Borough solely provides contracted shelter services for cities—to a fully integrated areawide system that includes enforcement, investigations, field response, impound, and emergency services inside the city limits of Palmer, Wasilla, and Houston.

BACKGROUND: Under existing arrangements, the Borough provides certain limited services within incorporated cities through contracts, including shelter operations, acceptance of strays, and adoptions. Cities transport these animals to the Borough shelter. Enforcement functions inside city limits are not currently performed by Borough staff except when specifically requested for isolated incidents.

State statute already permits second-class boroughs to exercise animal care powers on an areawide basis through the adoption of an ordinance. The Borough Manager advised the cities that he would not forward such an ordinance for Assembly consideration without formal support from the cities.

The City Councils of Palmer, Wasilla, and Houston have each adopted resolutions requesting implementation of areawide animal care services within their municipal boundaries.

Establishing a single, uniform authority will increase consistency, improve public and animal safety, and create operational efficiency across the Borough's 25,000+ square miles.

RECOMMENDATION OF ADMINISTRATION: Approve as written.

Legislation Number: RES 25-046

Subject

Resolution 25-046: A Resolution of the Palmer City Council Approving the Matanuska-Susitna Borough's Areawide Animal Control Services within the City of Palmer.

Summary Statement/Background

The Matanuska-Susitna Borough (MSB) currently acts as a critical partner to the City of Palmer by providing essential animal care services, including shelter operations, intake of strays, and managing adoption processes, under the terms of a standing contract.

We propose shifting to a model where the MSB Animal Shelter staff fully utilizes their areawide powers to assume complete responsibility for animal control within Palmer city limits.

This consolidation of duties would achieve two significant operational benefits:

1. Enhanced Efficiency and Public Service: By granting the MSB Animal Shelter staff full responsibility for enforcement, investigations, impound, and emergency response within the city, we eliminate the current cumbersome pass-through process. This direct authority will drastically decrease the time-lapse from an initial report of an animal issue to the completion of the investigation, resulting in faster and more specialized service delivery for our residents.
2. Increased Focus for the Palmer Police Department (PPD): This shift would reallocate valuable time and resources currently expended by the Palmer Police Department on responding to and investigating animal-related calls for service. By transferring these specialized duties to the MSB, the PPD can dedicate its limited resources and personnel to core public safety responsibilities, such as critical incident response, crime prevention, and traffic enforcement.

In essence, this change leverages the MSB's specialized expertise and equipment to provide immediate, high-quality animal control services while freeing up PPD resources to enhance overall public safety for the City of Palmer.

The Administration recommends adopting Resolution Number 25-046

BETWEEN
MATANUSKA-SUSITNA BOROUGH
AND

SECTION 1. Term.

This contract shall be effective as of July 1, 2025, and through June 30, 2026. This agreement shall be deemed renewed automatically each year for two additional one-year periods, unless either party shall give notice of non-renewal at least 30 days prior to the end of the relevant term.

Reasonable Attempts: Attempts made that an ordinarily prudent and rational person would use in the circumstances.

Quarantine: Strict isolation to prevent the spread of disease or to monitor an animal for contagious diseases or illnesses.

SECTION 3. Scope of Work.

A. The Borough shall provide, on behalf of the City, the following services:

4. Provide humane euthanasia for animals not redeemed, or adopted, or that are deemed not adoptable.
5. Hold animals brought to the shelter for at least 72 hours if not licensed, and at least 120 hours if properly licensed, and the City advises the Borough of the name and phone number of the owner. Emergencies are defined as situations where special equipment or animal control skills are required, such as with an animal that requires special handling. The parties agree that this service does not require Borough personnel to routinely pick up stray dogs, cats, or other animals within the City unless the animals are injured or an emergency (as described above) is involved.

B. The City shall provide the following to the Borough:

1. Written authorization for impoundment of any animal found within the City. The City agrees under this contract to provide written authorization either before or after the Borough takes possession of the animal. The City agrees that the Borough shall charge these fees when an owner redeems an animal. The Borough shall accept and keep such fees as payment for Borough provided services.

The Borough shall have the right to enter into payment agreements with an owner, waive any or all of the fees, set check acceptance procedures, allow for the acceptance of credit cards and to set any other fiscal policies as may be necessary and proper for the operations of the shelter.

In the event that the Borough waives any or all of the fees owed by an owner(s), the City shall not be responsible for any portion of that waived fee.

For the first term the City shall pay a base charge of \$2996.60 per month, for an annual total of \$35,959.14 irrespective of the number of animals placed at the Borough shelter during that month.

AA. 5%

There will be a *10%* increase in base charge fees each year for the two automatic renewal periods. This increase will be for achieving a fair share portion of services rendered commensurate with the number of animals handled by the shelter from residents whose homes are within the city limits.

SECTION 5. Animal Forfeiture.

For all animals impounded under this contract, at the end of the required holding period, 120 hours for licensed and 72 hours for unlicensed animals, the City shall forfeit any and all ownership rights in the same animal to the Borough to be disposed of as provided for under MSB 24.15. Such disposal may include adoption, auction, sale, or humane euthanasia.

An exception to forfeiture can be made at the discretion of the Borough Animal Care and Regulation Director when requested in writing by the City with the understanding, and upon the condition that the Borough may bill the City for reasonable extra charges to pay for continued sheltering of the animal by the Borough.

There are no promises, terms, or obligations other than those contained herein; and this contract shall supersede all previous communications, representations, or agreements, either oral or written, between the parties. However, if and when such cause or causes do prevent performance, the Borough shall exercise all reasonable diligence to resume and complete performance of the obligation with the least possible delay. The phrase "cause or causes beyond control", as used in this section, means any one or more of the following causes which are not attributable to the fault or negligence of the Borough and which prevent the performance of the Borough: fire, explosions, acts of God, severe weather conditions, orders of law by duly constituted public authorities, and other major uncontrollable events. The Borough will determine whether the event preventing performance is a cause beyond the Borough's control.

SECTION 19. Non-waiver.

The failure of the Borough at any time to enforce a provision of this contract shall in no way constitute a waiver of the provisions, nor in any way affect the validity of this contract or any part thereof, or the right of the Borough thereafter to enforce each and every protection hereof.

SECTION 20. Permits, Laws and Taxes.

The parties shall acquire and maintain in good standing all permits, licenses and other entitlements necessary to the performance under this contract. The City agrees that the Borough shall charge these fees when an owner redeems an animal. The Borough shall accept and keep such fees as payment for Borough provided services.

The Borough shall have the right to enter into payment agreements with an owner, waive any or all of the fees, set check acceptance procedures, allow for the acceptance of credit cards and to set any other fiscal policies as may be necessary and proper for the operations of the shelter.

In the event the Borough waives any or all of the fees owed by an owner(s), the City shall not be responsible for any portion of that waived fee.

For the first term the City shall pay a base charge of \$2,996.60 per month, for an annual total of \$35,959.14 irrespective of the number of animals placed at the Borough shelter during that month.

There will be a 5% increase in base charge fees each year for the two automatic renewal periods. This increase will be for achieving a fair-share portion of services rendered commensurate with the number of animals handled by the shelter from residents whose homes are within the city limits.

Payments that the Borough receives for shelter services when animals are redeemed shall not be deducted from the per month base charge.

For pick-up services involving animals over 200 lbs., there will be an additional charge of \$75.00 per transport.

There will be an additional charge of \$150.00 per hour for all after-hour pick-up and assist services. There shall be a minimum charge of one hour per Borough employee and only pertains to services provided off Borough premises. "After-hours" is defined as any time other than Monday through Friday, from 8:00 a.m. to 5:00 p.m.

In the event the Borough holds a City animal in protective custody for a City case, the current daily boarding fee will be charged along with all associated medical fees which may have been incurred for the duration of the animal's stay.

SECTION 5. Animal Forfeiture.

For all animals impounded under this contract, at the end of the required holding period, 120 hours for licensed and 72 hours for unlicensed animals, the City shall forfeit any and all ownership rights in the same animal to the Borough to be disposed of as provided for under MSB 24.15. Such disposal may include adoption, auction, sale, or humane euthanasia.

An exception to forfeiture can be made at the discretion of the Borough Animal Care and Regulation Director when requested in writing by the City with the understanding, and upon the condition that the Borough may bill the City for reasonable extra charges to pay for continued sheltering of the animal by the Borough.

In addition, the City may monitor the Borough's compliance with this contract, but shall not supervise or otherwise direct the Borough except to provide recommendations and to provide authorizations pursuant to this contract.

SECTION 10. Integration, No Third Party Beneficiaries.

There are no promises, terms, or obligations other than those contained herein; and this contract shall supersede all previous communications, representations, or agreements, either oral or written, between the parties. However, if and when such cause or causes do prevent performance, the Borough shall exercise all reasonable diligence to resume and complete performance of the obligation with the least possible delay. The phrase "cause or causes beyond control", as used in this section, means any one or more of the following causes which are not attributable to the fault or negligence of the Borough and which prevent the performance of the Borough: fire, explosions, acts of God, severe weather conditions, orders of law by duly constituted public authorities, and other major uncontrollable events. SECTION 18. Jurisdiction; Choice of Law.

Any civil action arising from this contract shall be brought in the Superior Court for the Third Judicial District of the State of Alaska at Palmer. The law of the State of Alaska shall govern the rights and obligations of the parties.

SECTION 19. Non-waiver.

The failure of the Borough at any time to enforce a provision of this contract shall in no way constitute a waiver of the provisions, nor in any way affect the validity of this contract or any part thereof, or the right of the Borough thereafter to enforce each and every protection hereof.

SECTION 20. Permits, Laws and Taxes.

The parties shall acquire and maintain in good standing all permits, licenses and other entitlements necessary to the performance under this contract. All actions taken by the parties under this contract shall comply with all applicable statutes, ordinances, rules and regulations. SECTION 1. Term.

This contract shall be effective March 1, 2025, through June 30, 2026. This agreement shall be deemed renewed automatically each year, for two additional one-year periods unless either party gives notice to the other party of non-renewal, at least 30 days prior to the end of the relevant term.
