Subject: Reconsideration

[EXTERNAL EMAIL - CAUTION: Do not open unexpected attachments or links.]

In accordance with our conversation, I would like to reconsider my affirmative vote for RS 25-031 concerning tracts 10 and 13. I believe there is common ground that can be reached to resolve the issue that will benefit both the Borough and the individuals concerned.
Let me know if there is anything further that I need to do..

Thanks for your time and attention to this matter.
