

In order to give the Manager and staff the flexibility to utilize the most advantageous delivery method, the following changes are proposed:

I MOVE to amend Resolution 24-126 as follows:

- 4th WHEREAS, insert the word “**may**” to read: “an alternative delivery systems **may** result in an accelerated timelines; and”
- 5th WHEREAS, strike “Design-Build is” and replace with “**an alternative delivery method may be**” to read: “**an alternative delivery method may be** a good option for complex projects such as additions and continued phase developments that desire an accelerated delivery schedule; and”
- In the NOW, THEREFORE, BE IT RESOLVED, strike “utilize the Design-Build” and replace with “**consider an alternative**” to read: “that the Assembly directs the Manager to **consider an alternative** delivery method for the new Academy Charter School
