SUMMARY STATEMENT:

On January 4, 2022, the Matanuska-Susitna Borough Assembly adopted Resolution Serial No. 22-002, with its accompanying Ordinance Serial No. 22-007 and Informational Memorandum Serial No. 22-009. This legislation allocated \$8,000,000 to 20 transportation related projects. One of those projects was the Wasilla Multi-Modal Depot.

The borough completed the environmental assessment and an appraisal at a cost of \$13,607.00. The Wasilla Multi-Modal Depot is a City of Wasilla project and therefore the remaining funding for this project, along with the appraisal and environmental assessment reports, are being provided to the city through a grant agreement, to complete the scope as described in Resolution Serial No. 22-002. The agreement will be presented to the manager for signature upon receipt from the City.
