ATTACHMENT (S) : Ordinance Serial No. 25-110 (2 pp)
Resolution Serial No. 25-093 (2 pp)

SUMMARY STATEMENT:

The Central Mat-Su Fire Service Area has recently sold three fire apparatuses that were utilized, in part, for wildland fire response. Two squads were sold to DES, and one 4-wheel drive engine to West Lakes Fire. We received a total of \$500,000 from the sale of these apparatuses, of which the last of the payments were received this budget year.

The Central Mat-Su Fire Service Area is requesting a total of \$800,000.00 from their reserve account to purchase a new type

3/tactical tender wildland apparatus. The total is a combination of the \$500,000 income from the sales plus \$300,000 from their fund balance. This apparatus will be on a commercial 4-wheel drive chassis, seat three personnel, and carry between 1500 - 2000 gallons of water with a 500-gallon-per-minute, two-stage water pump, compressed air foam system, and pump and roll capability.

The truck will be housed at one of our staffed fire stations that currently does not have a wildland truck. It will be used for wildland incidents and accessing areas with difficult roads to better protect our community.

The Central Mat-Su Fire Service Area Board of Supervisors supports this request to utilize reserve funds to purchase this truck. This will get the truck delivered and in service sooner and at a lower cost than waiting until next fiscal year.

RECOMMENDATION OF ADMINISTRATION:

Approval of the attached legislation, which will approve an appropriation of \$800,000 from the Central Mat-Su Fire Service Area Fund Balance, Fund 250, and approve the scope of work and budget for project No. 45066, Fund 405, to purchase a wildland apparatus for the Central Mat-Su Fire Service Area.

MATANUSKA-SUSITNA BOROUGH

FISCAL NOTE

Agenda Date: September 16, 2025

SUBJECT: Approving an appropriation of \$800,000 from the Central Mat-Su Fire Service Area fund balance and approving the scope of work and budget for a project to purchase a wildland apparatus.
