SUMMARY STATEMENT:

The Matanuska-Susitna Borough is designated a certified local government by the State of Alaska, Office of History & Archaeology. This designation allows the borough to receive grant monies for historic preservation activities. The Assembly was notified by Informational Memorandum No. 21-121 of the submittal of a grant application in the amount of \$15,000 for the Old Willow Community Center to replace the windows with energy efficient wooden windows that mimic the look of the original windows.

After submittal of the original application the borough received notice that there was additional funding available and that the Office of History & Archaeology had a total amount of \$70,000 they wanted to provide for this project. The funding must be fully expended no later than September 30, 2021. This new funding requires an Assembly Resolution authorizing the submittal of the new application.

RECOMMENDATION OF ADMINISTRATION: Adopt the resolution authorizing the submittal of a grant application to the State of Alaska, Office of History and Archaeology for stabilization and rehabilitation work on the old Willow community center.
