Mr. Brown:

We received funds from the U.S. Department of Homeland Security under the 2023 State and Local Cybersecurity Grant Program (SLCGP). We are pleased to award the Matanuska-Susitna Borough the amount of \$15,000.00 under this grant. Funding from this program is provided to support state, local and territorial governments in managing and reducing systemic cyber risk.

As a reminder, all procurement transactions must be conducted in a manner that provides full and open competition. To ensure this, we require a Procurement Method Report with every expense (except for local advertising, legal notices, and travel arrangements) submitted for reimbursement under this grant. Preapprovals may be required at multiple steps in the procurement process. Please see the Procurement Method Report for additional details.

A pre-signed Obligating Award Document (OAD) is attached. Please print the document, sign the OAD, and send a scanned copy to mva.grants@alaska.gov within 30 days of subrecipient receipt. Keep the hard copy for your records.

If the OAD cannot be returned within 30 days due to subrecipient policies, a Notice of Intent to Accept Grant Award form must be submitted. The form and instructions are available for download on our Grants website: http://ready.alaska.gov/Grants/OurDocs.

If signatory points of contact have changed since the submittal of the application, please complete and return a Signatory Authority Form with the signed OAD. The Signatory Authority Form is available for download on our Grants website. If needed, Electronic Payment enrollment forms are also available upon request.
