(B) If the seller determines that a transaction is not exempt, but the buyer believes the transaction to be exempt, then the buyer may protest the tax by paying the tax at the time of sale and filing a certificate of protest form with the borough no later than 60 days after the date of the transaction. The seller shall collect the protested tax at the time of the transaction.

(C) If the seller determines that a transaction is exempt, the seller can request a determination on whether a transaction is exempt by filing a certificate of protest form with the borough, no later than 60 days after the date of the transaction. The seller shall continue to collect the tax at the time of the transaction until the seller receives a determination from the borough.

The seller is responsible for remitting sales tax on all nonexempt sales to the borough, regardless of whether the seller collects the sales tax from the buyer. The seller is liable for any sales tax due because of the

seller's incorrect determination of the sales tax rate to be applied.

(B) Except as provided in subsection (C) of this section:

(1) The seller shall add the sales tax to the price or charge for the sale, rental or service, showing the tax as a separate and distinct item on any receipt, invoice, statement of account, or other record of the transaction. The sales tax on more than one separately priced item may be shown as a total tax on the aggregate price of all items sold or rented, or services rendered, in a single transaction.

(2) The finance director will publish a schedule upon showing the amount of sales tax to be added to the price of a sale, rental, or service showing the incremental sales tax owed based on sale range.

(3) A seller may not assume, fail to add to the price or charge for a sale, rental or service, or refund to the buyer all or part of the sales tax, or advertise or represent to any person that the seller will do so.

(C) Sales tax on sales of gaming property and sales from coin-operated machines is not added to the sales price and collected with each transaction, but is computed and paid as provided in MSB 3.35.045.

(A) A seller shall prepare a sales tax return for each calendar month. The sales tax return shall state the total amount of the seller's sales, rentals, and services; the amounts of the seller's exempt and taxable sales, rentals, and services, and the amount of sales tax that is due from the seller. The seller shall submit on or with the return such additional information as the borough may require to determine the amount of sales tax due for the month. The seller shall prepare the return and remit sales tax to the borough on the same basis, cash or accrual, that the seller uses in preparing its federal income tax return. The seller shall sign the return, and transmit the return, with the amount of sales tax that it shows to be due to the borough.

(B) A seller that filed or should have filed a sales tax return for any month during a Borough fiscal year shall file a return for every month remaining in the fiscal year even though no tax may be due. The return shall show why no tax is due.

(C) A sales tax return, and the related remittance of sales tax, is due, and must be received by the borough, not later than

5:00 p.m. on the last business day of the month immediately following the month for which the return was prepared. The failure of the U.S. Postal Service or any private delivery service to make timely delivery of a sales tax return or the related remittance of sales tax shall not excuse an untimely filing or remittance.

(D) A completed, accurate sales tax return and accurate payment that is not received on or before the time when due is delinquent and subject to the following:

1) A late filing fee of \$25 per filing period shall be added to all late filed sales tax reports in addition to interest and penalties.

2) Delinquent sales tax bears interest at the rate of 15% per annum until paid.

3) Delinquent sales tax shall be subject to a late payment penalty equal to 5% of the amount of the delinquent sales tax multiplied by the number of calendar months (or portions thereof) that elapse until the delinquent sales tax, interest, and penalty are paid in full; provided, that the amount of penalty shall not exceed 20% of the amount of the delinquent sales tax. The penalty does not bear interest.

4) The filing of an incomplete return, or the failure to remit all tax, shall be treated as the filing of no return.

(E) The finance director may require a seller that fails to submit a sales tax return or remit taxes when due to submit tax returns and remit taxes more frequently than monthly.

3.35.125 APPLICATION OF SALES TAX PAYMENTS.

(A) Except as this section provides otherwise, payments on sales tax accounts shall be applied to the amount due for each calendar month, in chronological order, and within the amount due for each calendar month first to fees, accrued penalty, accrued interest, and then to sales tax payments owed by the seller.

(B) Payments on sales tax accounts submitted with the then current sales tax returns shall be applied to the then current return period, first to fees, accrued penalty, accrued interest, and then to sales tax payable under the return. Any remaining moneys shall be applied as provided in subsection (A) of this section.

(C) Amounts of delinquent sales tax, interest, penalty or fees that have been reduced to judgment, are the subject of a confession of judgment, or are the subject of a written payment agreement between the borough and the seller are payable as provided in the judgment, confession of judgment or payment agreement, respectively, and, except as provided otherwise in the judgment, confession of judgment or payment agreement, thereafter

cease to be subject to the further accrual of interest or penalty under this chapter.

3.35.128 DEDUCTION OF BAD DEBTS.

(A) A person filing a return under MSB 3.35.120 may deduct sales found to be worthless. The bad debt may be deducted when it meets the following:

- (1) The sales tax was paid on an accrual basis; and
- (2) Is written off as uncollectible in the person's books and records; and
- (3) Qualifies as a deduction for federal income tax purposes under the Internal Revenue Code of 1986.

(B) If the amount of bad debt exceeds the amount of taxable sales during the period that the bad debt is written off, a person may file a refund claim with the borough.

(C) If a bad debt deducted under subsection (A) of this section is subsequently collected, the person who claimed the deduction shall pay the tax levied under MSB 3.35.030 on the amount collected. For purposes of this subsection, any payments made on a debt or account are applied:

- (1) First to the taxable price of the property or service and the tax levied under MSB 3.35.030 on the property or service; then

(2) To interest, service charges, and any other charges.

3.35.130 DUTIES UPON CESSATION OR TRANSFER OF BUSINESS.

(A) A seller that ceases to engage in business in the Borough without a transfer of the business shall file with the borough a final sales tax return, and remit any sales tax due, for the period ending on the date that the seller ceases to engage in business in the Borough, not later than 15 days after that date.

(B) A seller that transfers its business in the Borough shall provide the transferee with written notice of the transferee's obligations under subsection (C) of this section not less than 15 days before the effective date of the transfer, but neither the seller's failure to give the notice nor the transferee's failure to receive the notice shall relieve the transferee of any such obligation. The seller shall file with the borough a final sales tax return, and remit any sales tax due, for the period ending on the effective date of the transfer, not later than 15 days after the effective date, and provide a copy of the return to the transferee. The seller shall file with the final sales tax return proof that it provided the transferee with the written notice described in the first sentence of this subsection.

(C) The transferee of a business, with written consent of the owner, shall obtain from the borough before the effective date

of the transfer an estimate of the delinquent sales tax, penalty and interest, if any, owed by the seller as of the date of the transfer, and shall withhold that amount from the consideration payable for the transfer, until the seller has produced a receipt from the borough showing that all tax obligations imposed by this chapter have been paid. A transferee that fails to withhold the amount required under this subsection shall be liable to the borough for the lesser of the amount of delinquent sales tax, penalty and interest due from the seller as of the date of transfer, and the amount that the transferee was required to withhold.

(D) In subsections (B) and (C) of this section, the term "transfer" includes the following:

(1) A change in voting control, or in more than 50% of the ownership interest in a seller that is a corporation, limited liability company or partnership;

(2) A sale of substantially all of the assets used in the business of the seller; and

(3) The initiation of a lease, management agreement or other arrangement under which another person becomes entitled to the seller's gross receipts from transactions.

(E) Any officers, agents, members, managers, or partners of a corporation, limited liability company (LLC), limited liability

partnership (LLP), partnership, limited partnership (LP), that have control of, supervision of, or are charged with the responsibility of filing sales tax returns or remitting sales taxes are personally liable for any unpaid sales taxes, penalties, interest, fees and costs accruing and unpaid to the borough. Dissolution or sale of the business or other change in the form of the corporation, LLC, LLP, partnership, or LP does not discharge this liability. The signature of any officer, member, manager, or partner on returns or negotiable instruments submitted in payment of taxes is prima facie evidence of their responsibility for remittance of sales tax.

3.35.140 AMENDED RETURNS.

(A) A seller may file with the borough an amended sales tax return with supporting documentation, and the borough may accept the amended return, but only in the following circumstances:

(1) The amended return is filed within one year of the original due date for the return; and

(2) The seller provides a written justification for amending the return; and

(3) The seller held a current state business license for the period for which the amended return was filed and filed an original return for that period; and

(4) The seller agrees to submit to an audit upon request of the borough.

(B) The borough shall notify the seller in writing if it rejects an amended return, including the reasons for any rejection.

3.35.145 REFUNDS.

(A) No sales tax refund shall be made unless the claimant complies with the requirements to obtain a sales tax refund set out in this section.

(B) A claim for refund of sales taxes paid for exempt sales shall be denied unless the claimant complies with MSB 3.35.140.

(C) A claim for refund of sales taxes over collected in error is barred unless:

(1) The claimant files a claim for refund with the borough within one year of the date of sale, on the form prescribed by the borough; and

(2) If the claimant is a seller, and the tax refund is owed to any buyer, the seller submits, and the borough approves, a refund plan to all affected buyers.

(D) A claim for refund overpaid in error because of a mistake on the face of a sales tax return is barred unless:

(1) The claimant files a claim for refund within one year of the due date of the return, on the form prescribed by the borough; and

(2) The claimant files an amended return pursuant to the requirements of this chapter.

(E) When the borough initiates an audit or estimate pursuant to MSB 3.35.170, the period for claiming a refund under subsections (C) and (D) above, is the same as the period under audit, but in no case more than three years from the date of sale.

(F) The borough shall not be liable for interest on any refund claimed or paid, or for any costs incurred by a buyer or seller in claiming or obtaining a refund.

3.35.150 EXTENSION OF TIME, WAIVERS, FORGIVENESS.

(A) Upon written application of a seller, stating the reasons therefor, the finance director may extend the time to file a sales tax return, if the finance director finds each of the following:

(1) For reasons beyond the seller's reasonable control, the seller has been unable to maintain in a current condition the books and records that contain the information required to complete the return; and

(2) The seller has a reasonable plan to cure the problem that caused the seller to apply for an extension, the seller will commence and proceed with diligence to cure the problem, and the problem will be cured within a reasonable time; and

(3) At the time of the application, the seller is not delinquent in filing any other sales tax return or in remitting sales tax to the borough.

(B) A penalty and/or fee assessed under MSB 3.35.120(D) for the delinquent remittance of sales tax or under MSB 3.35.180(F) for failure to file a sales tax return may be waived by the finance director, upon written application of the seller accompanied by a payment of all delinquent sales tax, interest, penalty and/or fee otherwise owed by the seller to the borough, within 45 business days of the assessment of the penalty and/or fee. A seller may not be granted more than one waiver of penalty and/or fee under this subsection in any period of 12 consecutive months. The finance director shall report all such waivers of penalty and fees to the Borough Assembly and Mayor in writing, at least once each calendar quarter.

(C) The manager or the manager's designee, who may be a borough employee, may forgive the payment of uncollected sales taxes, interest and penalty thereon, and penalties for failure to file owing by a seller to the borough upon a determination by the manager or manager's designee that:

(1) Such uncollected sales taxes have never been collected by a substantial portion of a clearly definable class of seller; or

(2) Such uncollected sales taxes have never been collected on a substantial portion of a clearly defined class or type of transaction; or

(3) A reasonable interpretation and reliance upon that interpretation results in failure to collect a sales tax, which collection is later determined to have been legally required under this chapter.

(D) The manager or manager's designee shall notify the Borough Assembly and Mayor in writing of any such incidence of forgiveness.

3.35.160 USE OF INFORMATION ON TAX RETURNS.

(A) Except as otherwise provided in this chapter, all returns, reports, and information required to be filed with the borough under this chapter, and all information contained therein, are exempt from the disclosure requirements of MSB 1.50. and shall be kept confidential and shall be subject to inspection only by:

(1) Employees and agents of the borough whose job responsibilities are directly related to such returns, reports and information;

(2) The person supplying such returns, reports and information;

(3) Persons authorized in writing by the person supplying such returns, reports and information; and

(4) The borough's attorneys.

(B) The borough will release information described in subsection (A) of this section pursuant to subpoena, order of a court or administrative agency of competent jurisdiction, and where otherwise required by law to do so.

(C) Notwithstanding subsection (A) of this section, the following information is available for public inspection:

(1) The name and address of a person or entity filing a return; and

(2) Whether a person or entity is more than 30 days delinquent in filing a return or remitting sales tax; and, if so, the number of returns not filed.

(D) The borough may publish the name of any seller that is delinquent in remitting sales tax, and the delinquent amount thereof. The borough also may provide the public statistical information related to sales tax collections, provided that no information identifiable to a particular seller is disclosed.

3.35.170 TAX RECORDS, ADDITIONAL INFORMATION FROM SELLER, AUDITS.

(A) A seller shall maintain records of transactions supporting the information that the seller submits on sales tax returns, including without limitation records of daily gross receipts from sales, rentals, and services, invoices of purchases and sales, bills of lading and bills of sale. A seller shall also

maintain records of transactions that are exempt from sales tax, including information that will substantiate the claim of exemption. The seller shall maintain all such records for a period not less than three years after the date of payment of the sales tax to which they pertain, except to the extent that the borough has authorized in writing their destruction or disposal at an earlier date.

(B) If insufficient detail exists within a seller's business records to substantiate retail sales exemptions, such sales will be reclassified as taxable sales and subject to sales tax collection and remittance.

(C) The seller shall immediately notify the borough of any fire, theft, or other casualty which prevents the seller's compliance with this chapter. The casualty constitutes a defense to any penalty and/or fee provided in this chapter if determined to be the proximate cause of the failure to comply for a given reporting period, but does not excuse the seller from liability for taxes due. Accidental loss of funds or records is not a defense against the penalties and/or fees of this chapter.

(D) Any seller who has established a sales tax account with the borough, who is required to collect and remit sales tax under MSB 3.35.100, or who is required to submit a sales tax return under MSB 3.35.120 is subject to a discretionary sales tax audit at any

time. The purpose of such an audit is to examine the business records of the seller in order to determine whether appropriate amounts of sales tax revenue has been collected by the seller and remitted to the borough.

(E) The finance director shall be responsible for selecting the particular sellers whose business records will be audited.

(F) Sales tax audits of seller's business records may be accomplished by either an employee of the finance department or by an individual or firm under contract with the borough. The borough may use sampling principles or methods in lieu of 100% examination of records in conducting a sales tax audit.

(G) Sellers selected for a sales tax audit will be notified by letter and will be required to meet with, and make available for inspection and copying, all pertinent business records including income tax returns that may be requested for the prior three years for examination, to the finance department employee, or contractor conducting the audit, within 30 days of notification. Under extenuating circumstances, the finance director may grant an extension of time for compliance.

(H) After completion of a sales tax audit, sellers subject to the audit will be notified of the results of the audit by letter. If the audit resulted in an additional sales tax liability to the borough, the additional sales tax, with interest assessed

retroactive to the date the sales tax was due, must be remitted to the borough within 30 days after the receipt of the letter, or the additional sales tax will be subject to the procedures on delinquencies outlined in MSB 3.35.120. If the audit has resulted in a refund due to the seller, the refund outlined in MSB 3.35.145 will be sent to the seller within 30 days.

3.35.180 ESTIMATED TAX.

(A) If a seller fails to file a sales tax return, or if the borough has reasonable cause to believe that any information on a sales tax return is not accurate, the borough may estimate the sales tax due based on any information available.

(B) The borough shall notify the seller in writing that the borough has estimated the amount of sales tax that is due from the seller under subsection (A) of this section, stating the estimated amount. The borough shall serve the notice on the seller by delivering the notice to the seller's place of business, or by mailing the notice by certified mail, return receipt requested, to the seller's last known mailing address.

(C) The borough's estimate of the amount of sales tax that is due from a seller shall become a final determination of the amount that is due unless the seller, within 15 days after service of notice of the estimated sales tax, gives the borough a written request for a hearing.

(D) A hearing requested under subsection (C) of this section shall be conducted before the manager or the manager's designee, who may be a borough employee. At the hearing, the seller shall have the burden of proving, by testimony or documentary evidence, that the amount of sales tax that is due is less than the amount that the borough estimated. After the hearing, the person conducting the hearing shall issue a decision determining the amount of sales tax that is due from the seller. The borough shall serve the decision on the seller by delivering the notice to the seller's place of business, or by mailing the notice by certified mail, return receipt requested, to the seller's last known mailing address.

(E) A decision under subsection (D) of this section determining the amount of sales tax that is due may be appealed within 30 days to the Superior Court for the State of Alaska, Third Judicial District at Palmer in accordance with the Alaska Appellate Rules of Procedure.

(F) The amount of sales tax finally determined to be due under this section shall bear interest and penalty as provided in MSB 3.35.120, from the date that the sales tax originally was due, plus an additional civil penalty of \$250 for each calendar month for which the amount of sales tax that is due has been determined.
