SUMMARY STATEMENT:

This resolution is at the request of Assemblymember Nowers.

This resolution supports a one-time waiver of landfill fees for a cleanup in the Matanuska Townsite. This is primarily funded by the United States Environmental Protection Agency (EPA) to allow approximately 25 dumpsters and not to exceed fifty thousand dollars. The EPA will do all the work, including sorting all the trash and placing it into the dumpsters. The Borough's involvement will include scheduling the placement and pickup of the dumpsters. If the Borough does not support this, the EPA will still remove all the hazardous waste; however, they will leave all the nonhazardous waste (trash) piled up and lying around. The EPA is estimating that they will spend \$500,000.00 for their efforts to remove the hazardous waste and all mitigation efforts. All hazardous soil/materials will be collected and barged out of state by the EPA.

RECOMMENDATION OF ADMINISTRATION: Staff respectfully recommends approval of this resolution.
