ATTACHMENT (S) : Fiscal Note
 Road Service Area Road Improvement Project Lists - 2024 (21 pp.)
 RSA Boards of Supervisors Resolutions (16 pp.)

SUMMARY STATEMENT: The Public Works Department, in conjunction with Road Service Area (RSA) Boards of Supervisors, has prepared a list of necessary road improvements throughout all sixteen road service areas.

RSA Boards have filed resolutions to support their prospective projects in seven of the sixteen RSAs. Nine RSAs have no resolutions because no meetings were held to discuss projects, no quorums to support or no resolution passed. The projects identified

are primarily a continuation of previously approved projects. However, some lists have been modified.

The attached lists, entitled "2024 Road Service Area Road Improvement Project List," result from project identification, assessment, and prioritization between the Boards of Supervisors and Public Works Staff. The Road Improvement Project (RIP) Lists consist of each RSA's prioritized projects for the next five years.

Project funding sources will be road service area capital budgets. Target design and construction years are listed in the attached lists, which indicate the anticipated start year based on the existing capital budget and anticipated annual appropriation. These target dates are subject to change due to funding, right-of-way, utility relocations, shifting priorities, or Assembly approval.

Upon approval of these projects by the assembly, Public Works Staff will continue working through prioritized projects.

RECOMMENDATION OF ADMINISTRATION: Approve the Road Service Area Road Improvement Project List - 2024.

MATANUSKA-SUSITNA BOROUGH

FISCAL NOTE

Agenda Date: January 16, 2024

SUBJECT: Approval of the Road Service Area (RSA) Road Improvement Project (RIP) List - 2024
