SUMMARY STATEMENT: The repairs and stabilization of the old Willow community center is in progress. The Borough received notice that the State of Alaska, Office of History & Archaeology had set aside \$15,000 for use by the Matanuska-Susitna Borough to replace the windows with energy efficient wooden windows that mimic the look of the original windows. In order to secure the funding a grant application was required. Legislation to accept the funding will be brought forward once the award is made.
