 Resolution Serial No. 26-001 (2 pp)
 Best Interest Finding and Recommendation (197 pp)

SUMMARY STATEMENT: Alaska Statute (AS) 04.11.400(k) allows the relocation of an existing beverage dispensary license under AS 04.09.200 or former AS 04.11.090 to a restaurant, eating place, or a hotel, motel, resort, or similar business that contains a restaurant or eating place in a borough with a population of 50,000 or more into or within an incorporated city in the borough.

The Alcohol Beverage Control Board may not approve the relocation unless, at the time of the application, the existing number of issued licenses of the type under consideration for relocation located within the borough exceeds the maximum allowed under AS

04.11.400(a) and the governing bodies of both the borough and the incorporated city approve the relocation. The board may allow not more than three relocations into each city under AS 04.11.400(k) each decade. "Decade" means each 10-year period beginning April 1 in a year ending in zero. As of April 1, 2020, there has been one relocation of beverage dispensary licenses from the Borough into an incorporated city within the Borough.

MSB 8.40.060-090 outlines the process the Borough must follow when a beverage dispensary license transfer application is received, the types of public notices to be utilized, the review process, and the requirement of a Best Interest Finding report. Borough code mimics state law and allows for three relocations of licenses eligible for transfer under AS 04.11.400(k) from an unincorporated area of the Borough into each incorporated city within the Borough each decade.

On September 5, 2025, the Alcohol & Marijuana Control Office informed the Borough that The Last Frontier Brewing Company had applied to relocate beverage dispensary license #1240 from the Borough to the City of Wasilla.

On September 5, 2025, the Borough protested beverage dispensary license #1240 with the State of Alaska because The Last Frontier Brewing Company had not received Borough Assembly approval to relocate its beverage dispensary license to within the City of Wasilla pursuant to MSB 8.40.070. On September 8, 2025, the Borough received a Liquor License Relocation Application from The Last Frontier Brewing Company, requesting relocation to the City of Wasilla.

Randall Martin owns the parcel and commercial building that contains The Last Frontier Brewing Company, located at 238 N. Boundary Street, within the City of Wasilla. The Last Frontier Brewing Company is situated within a commercially zoned area of the city, featuring a restaurant and brewery operation. The Last Frontier Brewing Company proposes to add beverage dispensary license #1240 to restaurant and eating place license #5020, enhancing customer service and expanding their serving options, with the potential for future growth resulting from the addition of the beverage dispensary license. The Last Frontier Brewing Company requests the Borough Assembly's approval to relocate beverage dispensary license #1240 from 14345 N. Willow Station Road within the Borough to 238 N. Boundary Street, within the City of Wasilla.

In 1984, the Borough issued a Legal Nonconforming Conditional Use Permit to the Willow Trading Post Lodge for a previously existing use of alcoholic beverages within the Borough, as outlined in MSB 17.70.200(A). The Willow Trading Post Lodge operated at 14345 N. Willow Station Road prior to the adoption of ordinances in the MSB

requiring Conditional Use Permits for beverage dispensary licenses. The Willow Trading Post Lodge operated at that location under the beverage dispensary license until the business permanently closed in approximately 2023.

On October 13, 2025, the Wasilla City Council passed Resolution #25-33, approving the transfer of beverage dispensary license #1240 for operation within the City of Wasilla.

Between November 4-5, 2025, Borough staff published a notice along with a link to the application materials and vicinity maps regarding the proposed liquor license transfer on the Borough's webpage, the Frontiersman Newspaper, and within mailings to the South Lakes and Willow Community Councils, the cities of Wasilla, Palmer, and Houston, and 484 property owners within a half-mile radius of the previous and proposed locations of the beverage dispensary license, according to MSB 8.40.080. On December 4, 2025, the public comment period closed.

RECOMMENDATION OF ADMINISTRATION: Respectfully request approval.

AUTHORITY

Alaska Statute (AS) 04.11.400(k) allows the relocation of an existing Beverage Dispensary License (BDL) under AS 04.09.200 or former AS 04.11.090 to a restaurant, eating place, or a hotel, motel, resort, or similar business that contains a restaurant or eating place in a borough with a population of 50,000 or more into or within an incorporated city in the borough.

The Alcohol Beverage Control Board (ABC) may not approve the relocation unless, at the time of the application, the existing number of issued licenses of the type under consideration for relocation located within the borough exceeds the maximum allowed under AS 04.11.400(a) and the governing bodies of both the borough and the incorporated city approve the relocation. If the ABC approves an application to transfer a license issued under AS 04.11.400(k), the license becomes a license of the municipality in the new location.

The ABC may allow not more than three relocations into each city under AS 04.11.400(k) each decade. “Decade” means each 10-year period beginning April 1 in a year ending in zero. As of April 1, 2020, there has been one relocation of a BDL from the Matanuska-Susitna Borough (MSB) into an incorporated city within the Borough.

MSB 8.40.060-090 outlines the process the Borough must follow when a BDL transfer application is received, the types of public notices to be utilized, the review process, and the requirement of a Best Interest Finding.

DISCUSSION

Proposed Location: The application concerns the transfer of ownership and location of BDL #1240 from Willow Trading Post Lodge (14345 N Willow Station Road), located within the Borough, to The Last Frontier Brewing Company (238 N Boundary Street) within the City of Wasilla (COW). This relocation transfers the license from an unincorporated Borough area to an incorporated city jurisdiction, triggering specific statutory and Borough code requirements under AS 04.11.400(k) and MSB 8.40.060 (Attachments 1 & 2).

According to the State of Alaska Alcohol and Marijuana Control Office (AMCO), the MSB qualifies to give up its license because its population is counted at 96,758 (over the needed 50,000). The COW qualifies to receive the license because the current number of issued BDLs exceeds the maximum allowed. As of September 2, 2025, the COW is permitted 4 BDLs (one per 3,000 population or fraction thereof) with a total of 7 BDLs currently issued within its boundaries.

The proposed business operation for BDL #1240, known as The Last Frontier Brewing Company (dba The Last Frontier Brewing Company LLC), is a restaurant and brewery operation. Adding BDL #1240 is intended to supplant an existing Restaurant Eating Place License (REPL #5020) at the same location if approved. The facility is an existing building that already hosts several affiliated businesses, including the current restaurant/eating place license (REPL #5020), a Brewery Manufacturing License (BML #5593), and a Brewery Retail License (BRL #15257).

The applicants, Randall and Robert Martin, state that these family-owned businesses have operated in Wasilla since 2010, with brewery licenses added in 2019. Randall Martin, who holds a 91% ownership stake in The Last Frontier Brewing Company LLC, owns the real estate where the operations are conducted. Mr. Martin emphasizes that the transfer will enhance customer satisfaction by allowing full-service cocktails (e.g., margaritas) instead of wine-based substitutes. He highlights the brewery’s strong compliance history, community ties, and economic contributions, including the employment of 29–32 people, as well as plans for expansion. The applicant asserts that the change will strengthen the local economy and maintain high standards of responsible alcohol service.

The proposed operation features a full-service restaurant with a large menu, 98% of which is made in-house. The BDL aims to expand its services beyond beer to meet customer demand and support ongoing operations. Alcohol service under the BDL aims to complement the brewery by encouraging customers to taste the beer and offering choices that pair well with meals. The hours of operation for alcohol service are proposed as Sunday through Thursday, 11:00 a.m. to 9:00 p.m., and Friday and Saturday, 11:00 a.m. to 10:00 p.m.

The establishment also plans to offer live performance entertainment on Friday and Saturday from 6:00 p.m. to 9:00 p.m. The applicant confirmed that the business is compliant with the Wasilla Municipal Code requirements for sales tax, licensing, planning, and public safety. The BDL transfer is viewed by the applicant as an opportunity to generate sales tax revenue and reliable commercial development for the COW.

Background: In 1984, the Borough issued the Willow Trading Post Lodge a Legal Non-conforming Conditional Use Permit (LCUP) for a previously existing alcoholic beverage use within the Borough according to MSB 17.70.200(A). The Willow Trading Post Lodge operated at 14345 N. Willow Station Road prior to the adoption of ordinances in the MSB requiring Conditional Use Permits for BDLs. The Willow Trading Post Lodge operated at that location under BDL #1240 until the business closed around 2023.

Timeline of Events:

- On August 23, 1984, the Borough issued the Willow Trading Post Lodge an LCUP for a previously existing alcoholic beverage use within the Borough according to MSB 17.70.200(A) (Attachment 10).
- On January 28, 2010, The Last Frontier Brewing Company LLC was formed/organized (AK Entity 126142) (Attachment 6).
- On April 1, 2020, the current 10-year license transfer started according to MSB 8.40.070(A)(1), which ends on March 31, 2030. The proposed relocation of BDL #1240 would be the second of three this decade, if adopted, within the Borough to transfer into the City of Wasilla (Attachment 7).
- In approximately 2023, the Willow Trading Post Lodge permanently closed.
- On June 11, 2025, the transferor (Willow Trading Post, Inc.) and the transferee (The Last Frontier Brewing Company LLC) entered a Contract of Purchase and Sale for BDL #1240 (Attachment 9).
- On June 11, 2025, the applicant posted public notice at the proposed premises, 238 N. Boundary Street, within the City of Wasilla, according to State of Alaska noticing requirements concerning the proposed license relocation (Attachment 7).
- On June 30, 2025, a complete transfer application package for BDL #1240 was submitted to AMCO (Attachment 7).
- On September 5, 2025, AMCO issued the local governing bodies' notice of the complete transfer/relocation application to the Borough and City of Wasilla, requiring approval from both, initiating the 60-day review/protest period for both local governments (Attachment 7).

- On September 5, 2025, the Borough issued its initial AMCO protest, citing delinquent property taxes, an unpaid license review fee, a lack of Borough Assembly approval under MSB 8.40.060, and a missing application per MSB 8.40.070 (Attachment 7).
- On September 8, 2025, MSB Development Services Division received the Liquor License Relocation Application for BDL #1240, required according to MSB 8.40.070 (Attachment 9).
- On September 15, 2025, the City of Wasilla announced that city departments found no adverse findings and scheduled the relocation transfer to be considered at the October 13, 2025, City Council meeting (Attachment 5).
- On September 23, 2025, the Borough Finance Department confirmed that the applicants do not owe any debts to the Borough (Provided within Attachment 9).
- On September 25, 2025, the Borough responded to the applicant, notifying The Last Frontier Brewing Company that the relocation application was incomplete and requested further information (Attachment 7).
- On October 3, 2025, the Borough updated its AMCO protest concerning BDL #1240, noting that the delinquent taxes and fees were resolved/removed from the protest list. However, the Borough retained the AMCO protest because the Borough Assembly had not approved the relocation (MSB 8.40.060), and the application, although received on September 8, 2025, remained "incomplete" (Attachment 7).
- On October 13, 2025, the Wasilla City Council Adopted Resolution Serial No. 25-33, approving the relocation and transfer of BDL #1240 into city limits and waiving its protest rights (Attachment 5).
- On October 20, 2025, the signed City of Wasilla Resolution (RS 25-33) approving the transfer into city limits was officially transmitted to AMCO and the Borough (Attachment 5).
- On October 20, 2025, staff reviewed the applicant's MSB Liquor License Relocation Application and determined it to be complete after receiving all documentation required pursuant to MSB 8.40.070 (Attachment 9).
- Between November 4-5, 2025, the Borough published notice of the relocation application in the Frontiersman Newspaper and mailed notice to owners of all property within one-half mile of the exterior boundary of the property of the existing alcoholic beverage licensed facility and the proposed relocation property. In addition, a copy of all materials submitted to the Borough was mailed to the community council(s) in which the existing alcoholic beverage licensed facility is located and to community council(s) located within one mile of the boundary of the proposed location within the incorporated City of Wasilla, as well as mailed to the other incorporated cities in the borough (Attachment 8).
- On November 5, 2025, the Frontiersman Newspaper published a notice regarding the proposed liquor license transfer of location application (Attachment 8).
- On November 20, 2025, staff published a notice regarding the proposed liquor license transfer on the Borough's webpage, along with a copy of the application materials and vicinity maps.

- On December 4, 2025, the public comment period closed concerning the proposed liquor license relocation application. One response was received from the public concerning the availability of parking at the proposed location within the City of Wasilla (Attachment 8).
- On December 8, 2025, AMCO notified the Borough that the ABC had upheld the Borough's protest at a board meeting on November 25, 2025, denying the transfer application with a 180-day abeyance. AMCO further stated that if the Borough Assembly approves the transfer application by May 24, 2026, and rescinds its protest, the AMCO transfer application for BDL #1240 is approved with delegation, meaning the AMCO application can be effectuated and the AMCO Director may issue the license as soon as all other applicable pending approvals are received (Attachment 7).
- On December 17, 2025, Alex Strawn, Director of Planning and Land Use issued a Best Interest Finding and recommended approval of the transfer to the Borough Assembly.

Economic Effects: MSB 8.40.090 requires the Planning Director to consider such factors as the potential economic effects and potential future need for a license in the Borough outside city limits. The Willow Trading Post Lodge, located at 14345 N. Willow Station Road, is shuttered and not currently open for business. Currently, there is no direct positive economic impact in this area of the Borough resulting from BDL #1240.

Prior to its closure, the Willow Trading Post Lodge had been operating at this location for approximately 40 years. Since its closure, no employment opportunities have been created, and no payroll has been distributed to employees. According to the applicant, the proposed relocation is expected to create new jobs and opportunities for expansion within the COW. The Borough does not impose alcohol or general sales tax. Therefore, no change in taxes will result from this license transfer. Additionally, no increase or decrease in property taxes is expected if the BDL relocation is approved, as no appreciable change in property use is anticipated.

According to Borough code, the Planning Director must also consider other licensed facilities dispensing beverages within one mile of the old and proposed locations. One operational alcohol-related license, which is not a BDL, exists within a 1-mile radius of BDL #1240's existing location. Three other operational alcohol-related licenses exist within a ten-mile radius of the existing location. Of those three licenses, one (33%) is BDL. Twenty-three operational alcohol-related licenses exist within a 1-mile radius of The Last Frontier Brewing Company's proposed location for BDL #1240 at 238 N. Boundary Street. Of those twenty-three licenses, four (17%) are BDLs within the City of Wasilla.

Relocating BDL #1240 is not expected to cause a shortage of this license type or limit access to similarly licensed facilities in the local area. Alaska state law determines the number of licenses issued based on populations within geographic areas. It also contains provisions requiring the approval of the affected local government bodies concerning relocations from a borough to a city. In October 2025, the Wasilla City Council approved the transfer of the location for license #1240 into the city limits. In addition, the ABC will not consider a transfer of location application unless the number of issued licenses within the Borough of the type under consideration for relocation exceeds the maximum allowed under AS 04.11.400(a). According to the state, the Borough currently exceeds the number of BDLs allowed under state law. The Assembly's approval to relocate license #1240 to the COW will bring the Borough into compliance with state law.

The proposed location is near the Parks Highway, a major collector road that provides safe and convenient access, as well as smooth traffic flow. Adding a BDL to this location should provide ample opportunities for The Last Frontier Brewing Company to support the local economy, particularly within the tourism, dining, and entertainment sectors. The applicant suggests adding BDL #1240 will also help increase the COW's revenue through sales tax. The COW imposes a 2.5% sales tax on all sales, services, and rentals within its limits, unless exempt as specified in city code.

The Last Frontier Brewing Company proposes that the transfer will enhance customer satisfaction by offering full-service cocktails instead of wine-based substitutes, as well as aiding plans for expansion to complement its services beyond beer, meeting customer demand and supporting ongoing operations. The applicant also asserts that the change will strengthen the local economy and maintain high standards of responsible alcohol service. The addition is also expected to broaden the choices for the public, generating more economic development and sales tax for Wasilla. Based on similar business models where the Borough has approved a BDL transfer into a city, such as Evangelo's into the City of Wasilla in 2008, The Palmer City Alehouse into Palmer City in 2014, and 18-1 LLC into the City of Wasilla in 2024, The Last Frontier Brewing Company can expect a higher economic return that should benefit Borough residents.

Comments: On December 4, 2025, the public comment period closed concerning the proposed liquor license relocation application. One comment was received from a member of the public concerning the availability of parking within the COW. No comments were received by community councils in response to the public notice requirements of MSB 8.40.080.

Alternatives: The applicant has not proposed an alternative location outside the COW for relocating its BDL. Apart from the downtown areas of Talkeetna and Big Lake, the Borough lacks commercialized districts comparable to those found within the cities of Wasilla and Palmer. This poses a challenge for the applicant when considering the availability of commercial building space and access to economically thriving areas in the Borough that attract population segments within the tourism, dining, and entertainment sectors.

Many areas of the Borough outside the cities experience high fluctuations in visitor numbers due to seasonal operations, making it difficult for businesses to maintain a consistent revenue stream. A denial by the Assembly of the applicant's relocation application will limit the beverage dispensary operation to areas within the Borough, excluding those outside city limits. A BDL holder wishing to operate within the Borough outside of the cities of Houston, Palmer, or Wasilla must obtain a Conditional Use Permit with the approval of the Planning Commission, according to MSB 17.70.

Many of the land uses in the Borough outside city limits are residential and undeveloped. Isolated pockets of mixed commercial uses exist, mainly adjacent to minor and major arterials. Without designated commercial districts, it is difficult to identify an alternate site within the Borough outside city limits where a BDL would have a high success rate. Other beverage dispensaries in more remote areas of the Borough, located away from major collectors, rely heavily on tourism and seasonal sales.

The ABC has issued the maximum number of licenses for beverage dispensaries within the Borough. One BDL exists within a 10-mile radius of the existing location of The Willow Trading

Post Lodge. State law allows the ABC to increase the number of BDLs based on a borough's population. The population of the Borough has steadily increased over the past several decades, making it one of the fastest-growing regions in the state. Future population growth is likely to occur in the Borough, allowing the ABC to increase the number of licenses of the type under consideration for relocation. Based on this information, it is unlikely that any negative economic impact will result from the Assembly's approval of this relocation.

A denial by the Assembly will likely add unnecessary competition to existing businesses and create financial hardship for the applicant. The Last Frontier Brewing Company will be unable to expand and hire additional employees, which would have a direct impact on the local economy. Local businesses near the proposed location may also experience a negative impact if the denial is upheld. The COW will lose revenue from taxes generated from sales within the city, directly affecting its residents and those of the Borough.

The Assembly's approval of the relocation application will allow the operation to operate under BDL #1240. The Last Frontier Brewing Company will be able to hire additional employees, add Alaskan residents to the workforce, and generate revenue for the COW through sales taxes. The relocation approval will also allow the applicant to enhance customer satisfaction by offering full-service cocktails as well as execute plans for expansion to complement its services beyond beer and to support its ongoing operations. The addition is also expected to broaden the choices for the public, generating more economic development and sales tax for Wasilla.

[EXTERNAL EMAIL - CAUTION: Do not open unexpected attachments or links.]

Patricia,

Thank you for your letter. The City did receive the application notice from AMCO today. I have routed the application to the three departments (Planning, Finance and Wasilla PD) for review, as required under Wasilla Municipal Code ([WMC](#)) [6.16.020](#). As noted in the AMCO email and LGB notice, AS 04.11.400(k) requires **approval** for this relocation transfer from **both governing bodies** not just a waiver of protest done for renewals or standard location transfers. Approvals must come from the City Council. After review of the application is complete by city administration, it will be scheduled for the next available council meeting. Due to noticing requirements and council packet deadlines, the *very earliest* that could happen would be the September 22 meeting and would more likely be the October 13 meeting as the packet deadline for September meeting is Tuesday (9/9/25) at 3:00 and legislation will need to be drafted after the department reviews are complete. Once scheduled, all parties will be notified of the date and time of the meeting.

If council approves the transfer, the approval will be forwarded to AMCO, the applicant, as well as the Mat Su Borough to continue their requirements under [MSB 8.40](#). If approval (or protest) from the City will take longer than the 60 days allowed, the City will request an extension from AMCO for additional time to respond.

Please know we will process as quickly as possible and as required under Wasilla Municipal Code 6.16 and AS 04.11.400 and notify all parties of the council meeting date, or if any unforeseen issues come up during the review that may delay the process. I will notify AMCO next week of where we are in the process and try to attend the AMCO meeting as well.

If you have any questions at all, please let me know.

[EXTERNAL EMAIL - CAUTION: Do not open unexpected attachments or links.]

Good morning Matanuska-Susitna Borough and City of Wasilla,

Attached is a notice of a complete transfer of ownership and location of a BDL #1240 under AS 04.11.400(k) from the Matanuska-Susitna Borough into the City of Wasilla with a new restaurant endorsement attached. According to AMCO's records, this is the 2nd transfer in the decade beginning April 1, 2020. Three such transfers are allowed per decade (4/1/2020-3/31/2030). If you have any questions or concerns, please let me know. Both local governing bodies are included in this notice as, under AS 04.11.400(k) **both local governing bodes must approve the relocation.**

There is an existing Restaurant or Eating Pace (#5020) license at the proposed new location that is co-located/adjacent with a Brewery Manufacturing (5593) and a Brewery Retail (15257) license. The transfer of BDL 1240 will supplant the existing REPL 5020 if approved and finalized. The ABC board will also consider, at the 9/16/25 board meeting, the adjacent locations of license 1240 with 5593 and 15257 and the ownership structure.

RE: THE LAST FRONTIER BREWING CO.
BEVERAGE DISPENSARY #1240
TRANSFER & RELOCATION TO CITY OF WASILLA
238 N. BOUNDARY STREET

Dear Clerk,

Enclosed please find our complete transfer application for Beverage Dispensary #1240 into the City of Wasilla. We qualify for this special transfer with approval from the City of Wasilla and the Matanuska Susitna Borough.

We have operated the Last Frontier Brewing Co. with a restaurant/eating place license at the same location within city limits since 2010, with brewery licenses added in 2019. These are family businesses, along with the jewelry store in the same building complex. Gold Rush Jewelers has been in the City of Wasilla since 1981.

We need to expand our operations at the restaurant with this beverage dispensary license because our customers want more services and our business should expand. Our available employees and facilities are ready, with our ability and plans for more in the future. The City of Wasilla is steadily growing as a business and population center in the midst of the Matanuska Susitna Borough's separate tourism focus that promotes local business. Beverage dispensary service is an opportunity for us, residents, visitors, sales tax revenue and reliable commercial development for the City of Wasilla. This supports our application for transfer into the city.

Please let us know if there is anything more needed to complete or assist with our application. We look forward to obtaining all of the support and approvals that are needed. Thank you in advance for your ongoing attention and assistance.

Sincerely,

RANDALL E. MARTIN

Alaska Alcoholic Beverage Control Board Form AB-02: Premises Diagram

Why is this form needed?

A detailed diagram of the proposed licensed premises is required for all alcohol license applications, per AS 04.11.260, 3 AAC 305.630 and 3 AAC 305.660. Your diagram must include dimensions and must show all entrances and boundaries of the premises, walls, bars, fixtures, and areas of storage, service, consumption, and manufacturing.

This form must be completed and submitted to AMCO's Anchorage office before any license application will be considered complete. You may attach blueprints or other detailed drawings that meet the requirements of this form.

The diagram MUST include:

- You must use a **solid, contiguous red line** to outline the outer perimeter of your premises with no breaks or separations.
 - The red outline is required to follow a physical barrier (wall, fence and even across doorways).
 - There should be no red lines within the perimeter
- Each area should be clearly labeled in any color other than red where alcohol is:
 - Stored
 - Served/Sold
 - Manufactured
 - Consumed
- All diagrams must include:
 - Dimensions (AMCO does not accept diagrams drawn to scale)
 - Cross streets
 - Points of reference, such as a compass rose indicating True North
 - All entrances, exits, walls, bars, and fixtures
- If your premises include multiple floors, please include a separate diagram of each floor.
 - You must identify the stairs between each floor, and each hallway/corridor that leads to each set of stairs.
- If your premises includes multiple floors, please include a separate diagram of each floor. You must identify the stairs between each floor, and each hallway/corridor that leads to each set of stairs.
- If your proposed premises is located within a building or building complex that contains multiple businesses and/or tenants, please provide an additional page that clearly shows the location of your proposed premises within the building or building complex, along with the addresses and/or suite numbers of the other businesses and/or tenants within the building or building complex.
- Any license applications that include outdoor space** are required to submit a security plan that includes information about the barriers, practices, and personnel that are to be used to ensure that alcohol is not introduced or removed from the permitted premises and to prevent the access of alcohol by a minor during the permitted event. A security plan may be requested for other proposed locations on a case-by-case basis.

RE: Transfer of Beverage Dispensary #1240

Dear Ms. Serezhenkov,

This is to respond, and to supplement the package for transfer of Beverage Dispensary #1240 to the Last Frontier Brewing Company location in the City of Wasilla. Again, thank you for your very kind assistance. We discussed most of this, and hope this is sufficient to address any concerns.

1. The BML 5593 and BRL 15257 are intended to be held as is, with Robert Martin, the sole holder also one of the two members of the BDL 1240 applicant and the restaurant/eating place license 5020. Father and son are the owners, with son, Robert, usually on site. Father, Randall Martin, owns the real estate on which all operations are conducted. The same building is the location of Randall's jewelry design center. The brewery and the restaurant have written leases with Randall, copies of which should be in AMCO records.

The brewery and restaurant are distinct areas in the building, with respective (identical individuals) in control. The brewery and restaurant compliment each other, of course, featuring the various types of beer made at the brewery. The production of the beer is an attraction for the restaurant customers. The good food at the restaurant encourages tasting the beer. A beverage dispensary license will respond to ongoing customer requests for more choices to be available with their meals.

The owners prefer that the brewery and restaurant be separately owned because of family succession reasons as part of their plans for the future. Randall hopes to retire some day and Robert is growing his family, obtaining his own help and expectations. The various businesses have done well in downtown Wasilla for many years and an important part of the local community in many respects.

2. The plan for the restaurant/eating place license is to find a suitable transferee when the BDL 1240 is approved.
3. We do not see an overlap with the licenses in that there are distinct areas of use within the building. Although there are multiple doors, there is one public entry. As explained, however, the tasting room had been required in the past for the brewery but that changed with

the current brewery licenses, so that the public door to the tasting room is usually not used any more, nor is the tasting room used for tasting. Customers are better served in the restaurant.

Attached is a diagram showing the brewery area and the restaurant area. If an overlap is shown, we have included the brewery area with the restaurant area in the utmost of caution, in case someone inadvertently looks at the brewing tanks or is on a tour and has a drink in their hand. Let us know if this is a problem. There is no food service in the brewery area.

4. The various addresses are for the same building. The post office or the city have assigned the designations with no real attention given to the differences by Randall as the owner of the building, or by Robert and Randall as owners of the respective businesses. The mail for everyone goes to the same consistent spot without confusion. There really is no difference between 222 N. Boundary Street and 238 N. Boundary Street. The jewelry store likely uses the same address even though it is in a distinctive, separate spot in the building with a separate private entrance and a separate public entrance.

Please let us know if this is an issue. The owners do not want to confuse the customers.

5. We have guidance from the borough representative and the city of Wasilla. Everyone has been very helpful to identify who will be processing and what is needed. Of course, no official action can be taken until the letter from AMCO arrives, but both municipalities ask that we submit early, to facilitate their work and an efficient time line. The responses are very encouraging, particularly due to the history of the operations without difficulty. Of course too, the businesses generate sales tax revenue and are an asset to the community with the services and products that have been provided for years.

We look forward to any further communication about what is needed, and for consideration by the Board.

Sincerely,

PATRICIA R. HEFFERAN
Attorney at Law

Subject: 1240 Transfer of Ownership/Location under AS 04.11.400(k) with new RE...LGB Notice to both Borough and City

[EXTERNAL EMAIL - CAUTION: Do not open unexpected attachments or links.]

Good morning Matanuska-Susitna Borough and City of Wasilla,

Attached is a notice of a complete transfer of ownership and location of a BDL #1240 under AS 04.11.400(k) from the Matanuska-Susitna Borough into the City of Wasilla with a new restaurant endorsement attached. According to AMCO's records, this is the 2nd transfer in the decade beginning April 1, 2020. Three such transfers are allowed per decade (4/1/2020-3/31/2030). If you have any questions or concerns, please let me know. Both local governing bodies are included in this notice as, under AS 04.11.400(k) *both local governing bodes must approve the relocation.*

There is an existing Restaurant or Eating Pace (#5020) license at the proposed new location that is co-located/adjacent with a Brewery Manufacturing (5593) and a Brewery Retail (15257) license. The transfer of BDL 1240 will supplant the existing REPL 5020 if approved and finalized. The ABC board will also consider, at the 9/16/25 board meeting, the adjacent locations of license 1240 with 5593 and 15257 and the ownership structure.

RE: THE LAST FRONTIER BREWING COMPANY LICENSE #1240 TRANSFER

Dear Ms. Graham, Mr. Benedict,

We are very excited that AMCO has us on the next agenda for Board consideration. You likely received notice that our application is complete. I will submit the borough form and materials early next week.

You see, however, that your “no protest” letters are needed for the AMCO file, to avoid their delay, waiting for “no protest” letters. If you could please accelerate what is needed, hopefully before the September 16, 2025, Board meeting, we would certainly appreciate it. Of course, we expect to continue with the separate procedures with the city and borough, for the special requirements for moving the license into the city.

Thanks again for your guidance, ongoing assistance and prompt attention.

Sincerely,

PATRICIA R. HEFFERAN

Re: Transfer of beverage dispensary license 1240 under AS 04.11.400(k) relocating from Matanuska-Susitna Borough into the City of Wasilla

#1240 dba Willow Trading Post

Licensee: Willow Trading Post Inc.

Location: 14345 N. Willow Station Road, Willow, AK. 99688

Local government: Matanuska-Susitna Borough

Relocating to:

#1240 dba The Last Frontier Brewing Company

Licensee: The Last Frontier Brewing Company LLC

Endorsement: restaurant endorsement

Location: 238 North Boundary Street, Wasilla, AK. 99654

Local government: City of Wasilla

Relevant statutes and regulations:

AS 04.11.400(k): The board may allow the relocation of an existing beverage dispensary license under AS 04.09.200 or former AS 04.11.090 to a restaurant, eating place, or hotel, motel, resort, or similar business that contains a restaurant or eating place, an existing package store license under AS 04.09.230 or former AS 04.11.150, an existing brewery retail license under AS 04.09.320, an existing winery retail license under AS 04.09.330, or an existing distillery retail license under AS 04.09.340 in a borough with a population of 50,000 or more into or within an incorporated city in the borough. The board may not approve the relocation unless, at the time of application, the existing number of issued licenses of the type under consideration for relocation located within the borough exceeds the maximum allowed under (a) of this section and the governing bodies of both the borough and the incorporated city approve the relocation. The board may allow not more than three relocations into each city under this subsection each decade. In this subsection, "decade" means each 10-year period beginning April 1 in a year ending in zero.

3 AAC 305.130. Consideration of transfer of location of a license under AS 04.11.400(k). (a) An application to transfer a license under AS 04.11.400(k) in a borough with a population of 50,000 or more into or within an incorporated city in the borough must comply with the notice requirements set out in AS 04.11.280, 04.11.290, and 3 AAC 305.070(d), as applicable. The criteria for denial of an application to transfer an alcoholic beverage license to another location as set out in AS 04.11.340 and denial of an application to transfer an alcoholic beverage license to another person as set out in AS 04.11.360 also apply to an application to transfer a license under AS 04.11.400(k). The notice requirements set out in this section apply to an application to transfer.....

(b) If the board approves an application to transfer a license issued under AS 04.11.400(k), the license becomes a license of the municipality in the new location. The license may be transferred to a new location and new person within the receiving municipality. If a license is transferred with a security interest under AS 04.11.360(4)(B) and 04.11.670, the retransfer back to the previous owner may not be made to the location of the former municipality....

Background: Licensee, The Last Frontier Brewing Company LLC., is applying to transfer ownership and location under 400(k) of beverage dispensary license 1240 to move the license from Matanuska-Susitna Borough into the City of Wasilla. Staff has verified that the proposed premises for relocation is located in the City of Wasilla. The proposed transfer qualifies under AS 04.11.400(k) as follows:

- Matanuska-Susitna Borough qualifies to give up its license because its population is counted at 96,758 (over the needed 50,000).
- The City of Wasilla qualifies to receive the license because, currently, the existing number of issued beverage dispensary licenses exceeds the maximum allowed. As of 9/2/25 the City of Wasilla is allowed 4 beverage dispensary licenses (1 per 3,000 population or fraction of) with a total of 7 beverage dispensary licenses issued within its boundaries.
- The license type qualifies as a type allowed to relocate under this statute, and further qualifies as containing a restaurant or eating place.
- This decade, the board has allowed one license to relocate from the Matanuska-Susitna Borough into the City of Wasilla. The board may allow no more than two more licenses to relocate for a total of three in a decade. The decade encompasses the time period beginning April 1st, 2020 through March 31st, 2030. *At the June 17, 2025, the board considered another application for transfer of a beverage dispensary license from the Mat-Su into the City of Wasilla but that application has since been withdrawn by both parties and so the count remains at 'two'.*

Questions for the board with reference to the licensee's letter and the letter from the licensee's attorney (attached):

1. May the proposed location of beverage dispensary be adjacent to existing brewery manufacturer and brewery retail licenses and may those brewery licensed premises (which overlap with each other) be accessible through the beverage dispensary licensed premises?

- This business model is already in place and has existed historically for some time at this location. The licensee currently owns and operates restaurant or eating place license 5020 at this location. Once and if the transfer of beverage dispensary license 1240 is finalized it will supplant restaurant or eating place license #5020 with no break in service. At that time, REPL #5020 will be temporarily surrendered until its disposition (location transfer or expired) is known.

2. As all of the referenced licenses are adjacent and accessible through the restaurant is the business ownership model currently in place acceptable with regards to the two different entities, one entity operating the brewery aspect and the other the restaurant aspect?

The ownership of the adjacent brewery manufacturer (#5593) and brewery retail (#15257) licenses and the beverage dispensary license (and currently owned restaurant or eating place license) have similar persons involved but are not the same. The brewery manufacturer and retail licenses are owned by Last Frontier Brewery Inc. While the current REPL #5020 and the proposed BDL #1240 are/will be owned by The Last Fronter Brewing Company LLC.

Ownership breakdown:

Last Frontier Inc. /owned 100% by Robert Martin (president/secretary)

The Last Frontier Brewing Company LLC /owned by Robert Martin 9% and Randall Martin 91%

- This business model is already in place and has existed historically for some time at this location.

The ABC board approved the transfer of ownership and move of location into the City of Wasilla with delegation. The adjacent premises are approved. Alcohol (drinks) cannot move between these areas for now but the board directed our Attorney to look into the matter and so I expect more guidance on this at some point.

Hello Patricia,

I have attached the packet with memo for your transfer. I have been out sick and just returned this morning. I want you to know that the protest from the Mat-Su was not received timely enough to be added to the board meeting for 9/16/25 and is (until it is possibly removed by them) scheduled for the next board meeting in late November or early December. The protest is not mentioned in the memo either. Its good to know that the protest issues may be handled by then and hopefully, the protest lifted.

The meeting agenda and all board tabs (packets) are also posted here:

Dear Ms. Serezhenkov,

Please email a copy of the memo that is referenced on the agenda. We are hoping that the application will be acceptable to the Board.

The borough protest items have been addressed, other than City approval. The City representative believes we will be on that agenda in early October. The borough representative is reviewing the application we submitted and, I believe, will confirm all items except the city approval are resolved.

Thanks!

Dear Ms. Hefferan,

According to MSB 8.40.070(A)(3), applications shall be reviewed for completeness. Borough staff have reviewed the application material, and it has been determined that the following information needs to be provided to process this request:

1. Letter of approval or its equivalent, such as a Wasilla City Council Statement of Non-Objection, for the relocation from the borough of beverage dispensary license #1240 to operate and conduct business within city limits.
2. Copies of all documents required by the City of Wasilla regarding the operation of an alcoholic beverage dispensary within its jurisdiction, and/or the relocation of an alcoholic beverage dispensary within its jurisdiction.
3. A map illustrating all existing operational alcoholic beverage licensed facilities within a radius of ten miles of the existing licensed facility (original licensed location of 14345 N. Willow Station Road).
 - i. Based on information available to the borough, the map provided in the application materials submitted on September 8, 2025, did not depict all operational alcoholic beverage licensed facilities within a ten-mile radius.

Good morning Matanuska-Susitna Borough and City of Wasilla,

Attached is a notice of a complete transfer of ownership and location of a BDL #1240 under AS 04.11.400(k) from the Matanuska-Susitna Borough into the City of Wasilla with a new restaurant endorsement attached. According to AMCO's records, this is the 2nd transfer in the decade beginning April 1, 2020. Three such transfers are allowed per decade (4/1/2020-3/31/2030). If you have any questions

or concerns, please let me know. Both local governing bodies are included in this notice as, under AS 04.11.400(k) **both local governing bodes must approve the relocation.**

There is an existing Restaurant or Eating Pace (#5020) license at the proposed new location that is co-located/adjacent with a Brewery Manufacturing (5593) and a Brewery Retail (15257) license. The transfer of BDL 1240 will supplant the existing REPL 5020 if approved and finalized. The ABC board will also consider, at the 9/16/25 board meeting, the adjacent locations of license 1240 with 5593 and 15257 and the ownership structure.

John,

The state may not be able to tell you or have the resources to determine which liquor licenses are within a radius of 10 miles of the existing location of alcohol license #1240. However, I am certain that the state maintains records of addresses for existing operational alcoholic beverage licensed facilities.

It will serve in your best interest to meet the requirements of **MSB 8.40.070(B)(4)** by submitting a public records request to AMCO for existing operational alcoholic beverage licensed facilities within the areas of Houston, Willow, and Caswell Lakes, and upon receipt of that information you will have to determine which of those facilities are within a 10-mile radius of #1240.

Please call me if you require any clarification on this information.

Anna & Kristina,

You deserve a blue ribbon, for professionalism and customer service. Last Frontier Brewery transfer has been received by the City of Wasilla, and has been reviewed by Planning, Public Works, Accounting and Police, with no objections. It is on the 10/13/25 agenda, for full city council, might even be on the Consent Agenda. The Mat-Su Borough, Rick Benedict indicated they need City 's approval, to move forward with Borough no objections to AMCO. But today Mr. Benedict advised us our report to him with all Alcohol facilities within 10 Miles of the Willow Trading Post , may have missed a location. I was very vigilant in my research and precise distances with Google maps. Got all locations of my research including, seasonal, tourist facilities, eating place, Capital Speedway (currently closed) but still has license I believe. Package, Bev Dispensary's etc. There may be a fly out location or rafting business, or flight service at the airport, or a catering business that I may have missed. Can you point me in the direction or a link that can tell me where to look further, 10-mile radius of Willow Trading Post. I need to work diligently and quickly to research and remedy MSB's need. Might you even be able request to view and send me what Benedict is looking at, tell me what I'm missing, and could then add to our file.

Thank you,

John

South Lakes and Willow Community Councils will be provided with public notice and a copy of the application materials in compliance with MSB 8.40. The code requires 30 calendar days for comments from the public or community councils to be received once notice is given.

After the comment period closes, the director must produce a best interest finding based on public feedback and the application materials and have the matter placed on the agenda for consideration at the next Assembly meeting.

Yes, the city provided the resolution this morning. I will be getting the public notice process started on this end, which code states must be sent within 30 calendar days of a complete application.

Notice requires mailings to local property owners and local community councils, and

publication for a minimum of 30 days in the local newspaper (Frontiersman). It also must be posted at the existing licensed location for the duration of the review process.

Good Afternoon John,

Yes, we have a complete application as of October 20, 2025.

There is a large public notice area to meet code requirements for the old and new locations, in addition to requirements to provide the information to the cities and Community Councils. Public notice materials are currently being processed by our team, with an anticipated mail date for the week of November 3rd. Additionally, notice is being requested for publication in the Frontiersman newspaper on November 5. The required notice period is 30 days.

The close of the 30-day notice period is expected to occur around December 4th. Code provides the director 30 calendar days to generate a Best Interest Finding and Resolution before scheduling the matter with the Assembly. The Best Interest Finding considers all the materials provided in the application packet and public comment, and generally, 30 calendar days is the expected turnaround time.

With this information in mind, it's likely that an introduction to the application will be made at the January 6th meeting and the public hearing before the Assembly on January 20th.

Mr. Klapperich,

A public notice has been initiated, as per MSB 8.40.080, concerning your application to relocate liquor license #1240 from the borough to the City of Wasilla:

- Notice of the application by publication in the Frontiersman was conducted on November 5, 2025.
- Notice of the application was mailed to owners of all property within one-half mile of the exterior boundary of the property of the existing alcoholic beverage licensed facility on November 4, 2025.
- Notice of the application was mailed to owners of all property within one-half mile of the exterior boundary of the proposed relocation property on November 4, 2025.
- A copy of all materials submitted to the borough was sent to the community council(s) in which the existing alcoholic beverage licensed facility is located on November 4, 2025.
- A copy of all materials submitted to the borough was sent to the community council(s) located within one mile of the boundary of the proposed location within the incorporated city on November 4, 2025.

- The applicant shall pay the cost of all mailings and advertisements as required by MSB 8.40.060. I will follow up and provide a total of these costs in later communications.

Date: Friday, November 14, 2025 10:55:00 AM

Good morning John,

MSB 8.40.080(A) requires the Public Notice to be posted at the exiting licensed location. If the business is closed and access is restricted, please place a notice at the gate or property line where access would have normally been made to the prior business.

Concerning the borough's protest, it still stands. Per MSB 8.40.060, beverage license relocations must be approved by the borough Assembly. This has not occurred to date and is a pending action. Your application is scheduled for introduction on January 6, 2026, and the Assembly will schedule a public hearing date to consider its approval. I'm hopeful they will schedule the public hearing for the following regular Assembly meeting on January 20, 2026. Should the Assembly approve the transfer, the borough will lift its protest at that time.

I spoke with Kristina at AMCO yesterday and informed her that the only remaining item under protest by the borough is the pending approval required by the Assembly for the transfer of license #1240 into the City of Wasilla.

Rick,

I will post your exact copy within the hour at Last Frontier Brewing Co.

Someone told me I need to post this at Willow Trading Post as well, It is shut down and shuttered, no public access. With Posted No Trespassing", Do you require me to post this notice any place in addition to

Boundary location, in Wasilla?

Also, AMCO, said you, the MSB is still protesting transfer, part of the reason is past taxes due from seller, which were paid in full over two months ago, by buyer, and we were told also paid by seller. Are you still protesting, as it is on AMCO's meeting agenda for 11/20/25 meeting to discuss this transfer and discuss MSB protest. If so, please advise reason of protest, and how it could be remedied.

Thank you,

John ,

[EXTERNAL EMAIL - CAUTION: Do not open unexpected attachments or links.]

Good morning Matanuska-Susitna Borough and City of Wasilla,

Attached is a notice of a complete transfer of ownership and location of a BDL #1240 under AS 04.11.400(k) from the Matanuska-Susitna Borough into the City of Wasilla with a new restaurant endorsement attached. According to AMCO's records, this is the 2nd transfer in the decade beginning April 1, 2020. Three such transfers are allowed per decade (4/1/2020-3/31/2030). If you have any questions or concerns, please let me know. Both local governing bodies are included in this notice as, under AS 04.11.400(k) *both local governing bodes must approve the relocation.*

There is an existing Restaurant or Eating Pace (#5020) license at the proposed new location that is co-located/adjacent with a Brewery Manufacturing (5593) and a Brewery Retail (15257) license. The transfer of BDL 1240 will supplant the existing REPL 5020 if approved and finalized. The ABC board will also consider, at the 9/16/25 board meeting, the adjacent locations of license 1240 with 5593 and 15257 and the ownership structure.

Hello John,

I cannot answer for MSB so please contact them directly with your question.

If there is anything thing else applicant needs to do for the MSB or AMCO please advise, ASAP.

AMCO's process is that you will need to contact our Enforcement group once you receive my notice to do so. At that time, you can coordinate with our Enforcement group to finalize and receive the issued license.

Kristina,

I was pleased to hear the AMCO Chairman Dana use the words receive "Next Day" after Assembly approval, and again he used "Within 24 hours". He did question all board members, "Is the way you understand it to be" they all confirmed, "Yes". Though I do understand the process. I appreciate everyone's professionalism and service, and guidance through this process. As per below message from Rick, for the record the applicant's request for transfer application is complete and on record with the Mat-Su Borough pending Assembly approval. If there is anything else applicant needs to do for the MSB or AMCO please advise, ASAP.

Thank you,

John

I spoke with Kristina at AMCO yesterday and informed her that the only remaining item under protest by the borough is the pending approval required by the Assembly for the transfer of license #1240 into the City of Wasilla.

Hello,

I will add your correspondence to the file record. I confirm that the only remaining delegation for this license transfer is the lift of protest and approval of transfer from the Matanuska-Susitna Borough. I also confirm that once the Mat-Su Borough officially notifies our office of the protest lift and their approval of the license transfer (typically via email), our office will take the next immediate steps to move the transfer forward. In practice, this means that I notify both the licensee and AMCO Enforcement that the license is ready to be finalized by AMCO Enforcement. Only at that point, can you contact AMCO Enforcement to finalize and receive the issued license. AMCO Enforcement may or may not need to inspect the premises before they hand over the license and finalize the transfer.

Per Rick Benedict's email (in thread below) this may be scheduled with the Borough Assembly for this upcoming January. I will certainly keep my eye on it.

Subject: RE: Public Notice for AMCO License 1240 Relocation

Kristina,

It is important to be on record, that there was a lengthy live in person, not phone, discussion between myself and AMCO Board Chairman Dana Walukiewics, and AMCO Board at yesterday's meeting, regarding this. I am pleased it ended with Board Chairman Dana, stating this was best option for applicant to receive the Beverage Dispensary Liquor license the quickest. He did say that we could expect to receive the liquor license the day after the Mat-Su Borough Assembly approval, which could occur in January 2026, quote from Dana. "You can expect to receive your liquor license within 24 hours after Assembly approval is that correct staff " He looked at AMCO staff in attendance Jane and Sonya, they looked at each other and said "yes" . I reiterated "To be clear and on record, the morning after Assembly approval, we can request subject beverage dispensary liquor license from AMCO staff and expect it within a day". Dana said "Yes".

There was lengthy discussion about exact Mat-Su Borough's protest. Dana did see the past taxes taking up space on agenda. When advising Dana I have paid receipt, showing for both Taxes \$ 3,660.09 and fees \$ 100.00 dated 09/08/25, he looked to staff, "Are these paid", they said yes, and he looked inquisitive, why are they here nearly two months later, they shook their head. Dana said, so MSB is protesting , but taxes are paid, and MSB says Mat-Su Assembly approval still need, we understand. Then AMCO staff Jan did say well Mat-Su Borough says application incomplete. I clearly mentioned my multiple requests to Rick Benedict MSB, asking is there anything else you need to have a complete transfer application on record. I never received any mention of anything else needed, I also made mention of the e-mail received just yesterday.

From AMCO staff Kristina “The only and last item needed before finalization is the approval from the borough”, I read that as “Assembly Approval”, There was an attempt to phone Rick Benedict during this hearing, it was said he could not be reached .

Board Chair, did say I had options, they could delay; post pone, and then comeback which would take to next Special meeting or longer to General Meeting, or the Board could allow you to proceed as is occurring with the Mat-Su borough, proceed to Assembly Approval, and AMCO staff can issue you your license with not having to come back to us. I reiterated, so you offer 180-day abeyance, and we allow current process to move forward, not needing to come back to AMCO Board, he says yes, He offered. “If this was me and I have six liquor licenses I would take the option of the 180-day abeyance and get your license quicker”. I said I appreciate your advice, that’s what we will do. He ended with, this Mat-Su protest is not a blemish on your record, in fact you don’t want it to come to an appeal, but if it did you would have an excellent case”.

Thank you,

John

Good morning John,

MSB 8.40.080(A) requires the Public Notice to be posted at the exiting licensed location. If the business is closed and access is restricted, please place a notice at the gate or property line where access would have normally been made to the prior business.

Concerning the borough's protest, it still stands. Per MSB 8.40.060, beverage license relocations must be approved by the borough Assembly. This has not occurred to date and is a pending action. Your application is scheduled for introduction on January 6, 2026, and the Assembly will schedule a public hearing date to consider its approval. I'm hopeful they will schedule the public

hearing for the following regular Assembly meeting on January 20, 2026. Should the Assembly approve the transfer, the borough will lift its protest at that time.

I spoke with Kristina at AMCO yesterday and informed her that the only remaining item under protest by the borough is the pending approval required by the Assembly for the transfer of license #1240 into the City of Wasilla.

Rick,

It is 8:55 AM and Kristina Serezhenkov from AMCO just suggested I attend today's AMCO board meeting, to speak on behalf, of Applicant Last Frontier Brewing company transfer. I am leaving soon to talk to Members of the board, and Kristina before our item #21 on agenda. And of course, during our hearing.

Kristina is in record, that the MSB is not objecting because unpaid taxes or fees, and application is complete only item remaining is Assembly's' approval . The last sentence on today's agenda states "deny with 180 day abeyance pending lift of MSB's protest". This is highly costly and possibly removes the opportunity and agreement in place, solely because of you and the Mat-Su Borough's Protest. Can you contact Kristina before our hearing this afternoon and advise her and AMCO you are not protesting, but following normal protocol: Application received and complete, pending MSB Assembly approval, when that occurs, MSB is fine, NO protest. Allow AMCO to approve pending MSB Assembly approval.

John ,

Dear Applicant,

At the November 25, 2025, meeting of the Alcoholic Beverage Control Board, the Board upheld the Matanuska Susitna Borough protest and denied your application with a 180-day abeyance-

If the Municipality's protest is lifted or rescinded no later than May 24, 2026, your license application is approved with delegation, meaning, the application can be effectuated and the Director may issue the license as soon as all other applicable pending approvals (background check, fire marshal approval, etc.) are received.

Please contact alcohol.licensing@alaska.gov if you have any questions.

Respectfully,

Rick,

Please register this as an official response to Public Notice for you and all Planning commissioners and all Assembly Members.

From: John Klapperich
45 Year Mat-Su resident and taxpayer
2951 North Earl Drive
Wasilla, AK. 99654

I am fervently in favor of the Assembly to unanimously approve this liquor license transfer application. As a strong advocate of small business in the Mat-Su, this checks off all positive boxes, with no negative. I being first back-to-back president of the Greater Wasilla Chamber of commerce. Pres. of Rotary, SERTOMA, an employer, and past six-year chairman of the Mat-Su Planning commission, advisory to city of Wasilla, and State of Alaska E.D. I say this only to show my awareness of this transfer implications.

As for parking concerns if this transfer is approved, this is a very rare occasion of any new business or business expansion in Downtown Wasilla, where there is an overabundance of parking for patrons, and substantially over abundance. Current paved and lighted parking is deemed adequate for current operation and floor plan, which had the Mocha Moose drive up coffee business in parking lot for 13 years, now removed in 2025, opened up substantial additional parking spaces. Also, in 2025 the owner turned the entire city block adjacent to business with free paved lighted parking. Also, directly adjacent to this parking lot, is an entire city block of City Of Wasilla paved lighted free parking bordering Swanson, Boundary and the alley. Also within 100 feet is a second free City paved & lighted public parking, Swanson/Boundary across from the Grape Tap restaurant which is closing for good 12/31/25, which will now leave parking lot nearly vacant of users. And within 100 feet a third free public

parking lot, Swanson & Main, where the old City Fire department was converted into free parking. There has never been street parking use or need for street parking use for the Last Frontier Brewing Company. Anyone concerned about current or future parking for Last Frontier Brewing Company is not aware of the abundant parking facts. There have not been any large crowd events in the past or planned in the future. This also fits in with the City of Wasilla Comp 2045 plan, Survey says "There is a need for more downtown Wasilla dining and entertainment". Also increased sales tax for the city, less dependency on Mat-Su Borough resources, also, owners have a very substantial Mat-Su Borough property tax obligation every year. This may allow, for even increased Mat-Su Borough property tax.

Dear Mr. Benedict,

Enclosed please find the Liquor License Relocation Application along with the required supporting materials. There is a copy of what went to AMCO and additional maps. This is submitted early, in anticipation of the currently ongoing processing by the City of Wasilla, as you suggested.

We hope to have addressed the items that are referenced in the initial protest from the borough. Thank you for itemizing those concerns so that we resolve whatever is needed. Do not hesitate to let us know if this submittal requires more, or if there are any other concerns whatsoever.

We hope that you can let AMCO know that you are waiting for the city and that the remaining protest items are resolved. Your attention is appreciated.

Sincerely,

RE: #1240 BEVERAGE DISPENSARY LICENSE TRANSFER TO CITY OF WASILLA
THE LAST FRONTIER BREWING COMPANY

Dear Mr. Benedict,

Thank you for reviewing the Relocation Application prior to our submitting the City of Wasilla approval. The City has let us know that the council likely will consider the transfer on the Consent agenda for October 13, 2025. We have had to submit nothing else to the City. The City review included permits, police and sales tax, with nothing further required from us.

Pursuant to your request, attached hereto are four maps showing licenses within a ten mile radius of the Willow Trading Post location.

The AMCO Board will consider the borough's initial protest at the November Board meeting. We ask that you clarify before the AMCO meeting, that all of the money has been paid so that we simply await consideration by the respective governments. Our goal is to continue the delegation of transfer authority from the Board, to the Executive Director of AMCO, pending government approval.

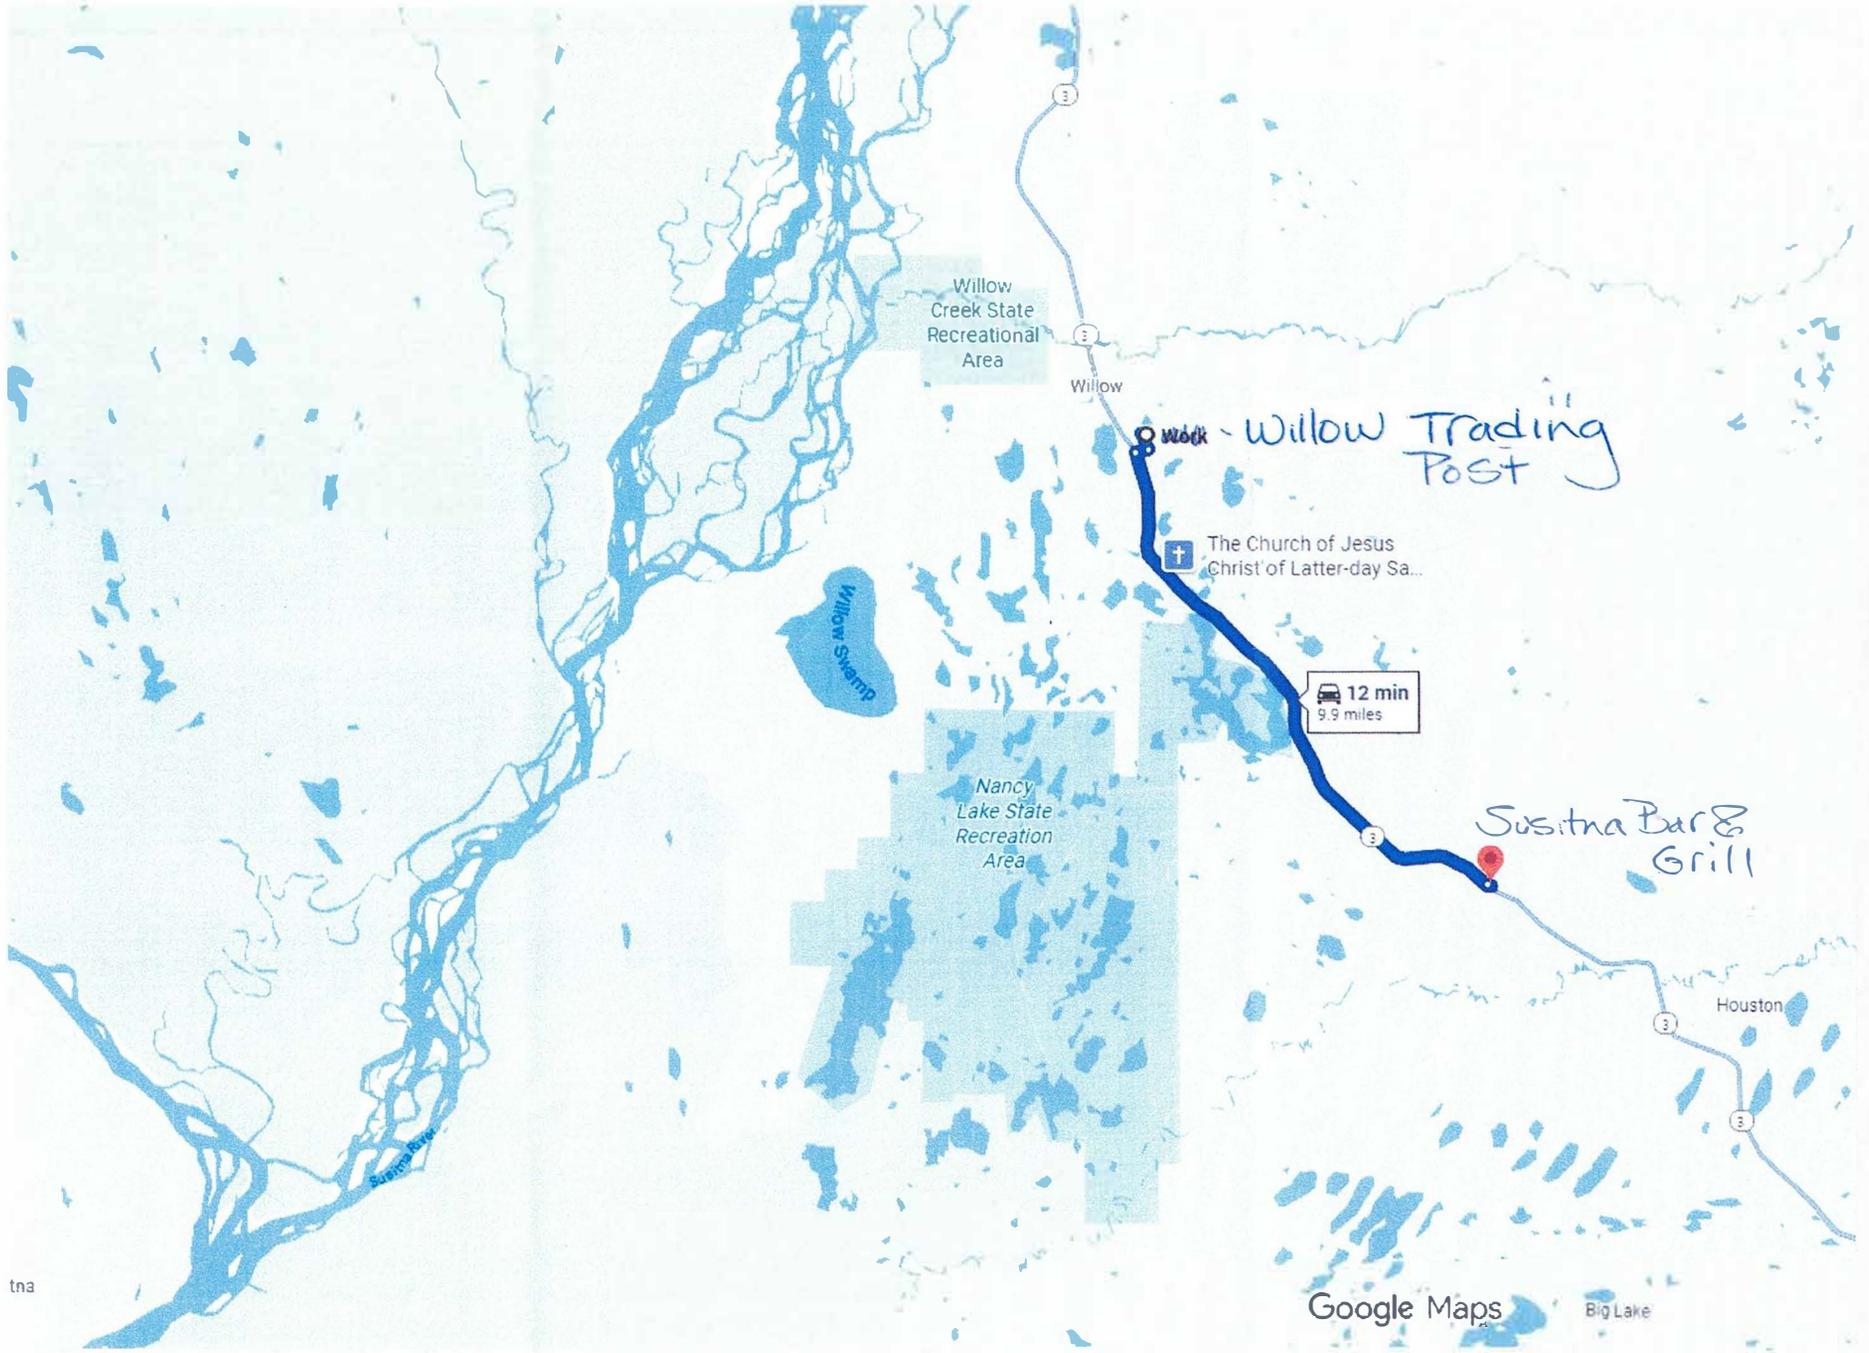

Your continuing attention and assistance is very much appreciated.

Sincerely,

PATRICIA R. HEFFERAN

RE: #1240 BEVERAGE DISPENSARY LICENSE TRANSFER TO CITY OF WASILLA
THE LAST FRONTIER BREWING COMPANY

Dear Mr. Benedict,

Please accept the enclosed, to supplement the application for the above matter. We had tried to provide accurate information initially, but needed an official report from AMCO. This information about two other licenses pertains to the Capital Speedway which, I understand, is currently not operating.

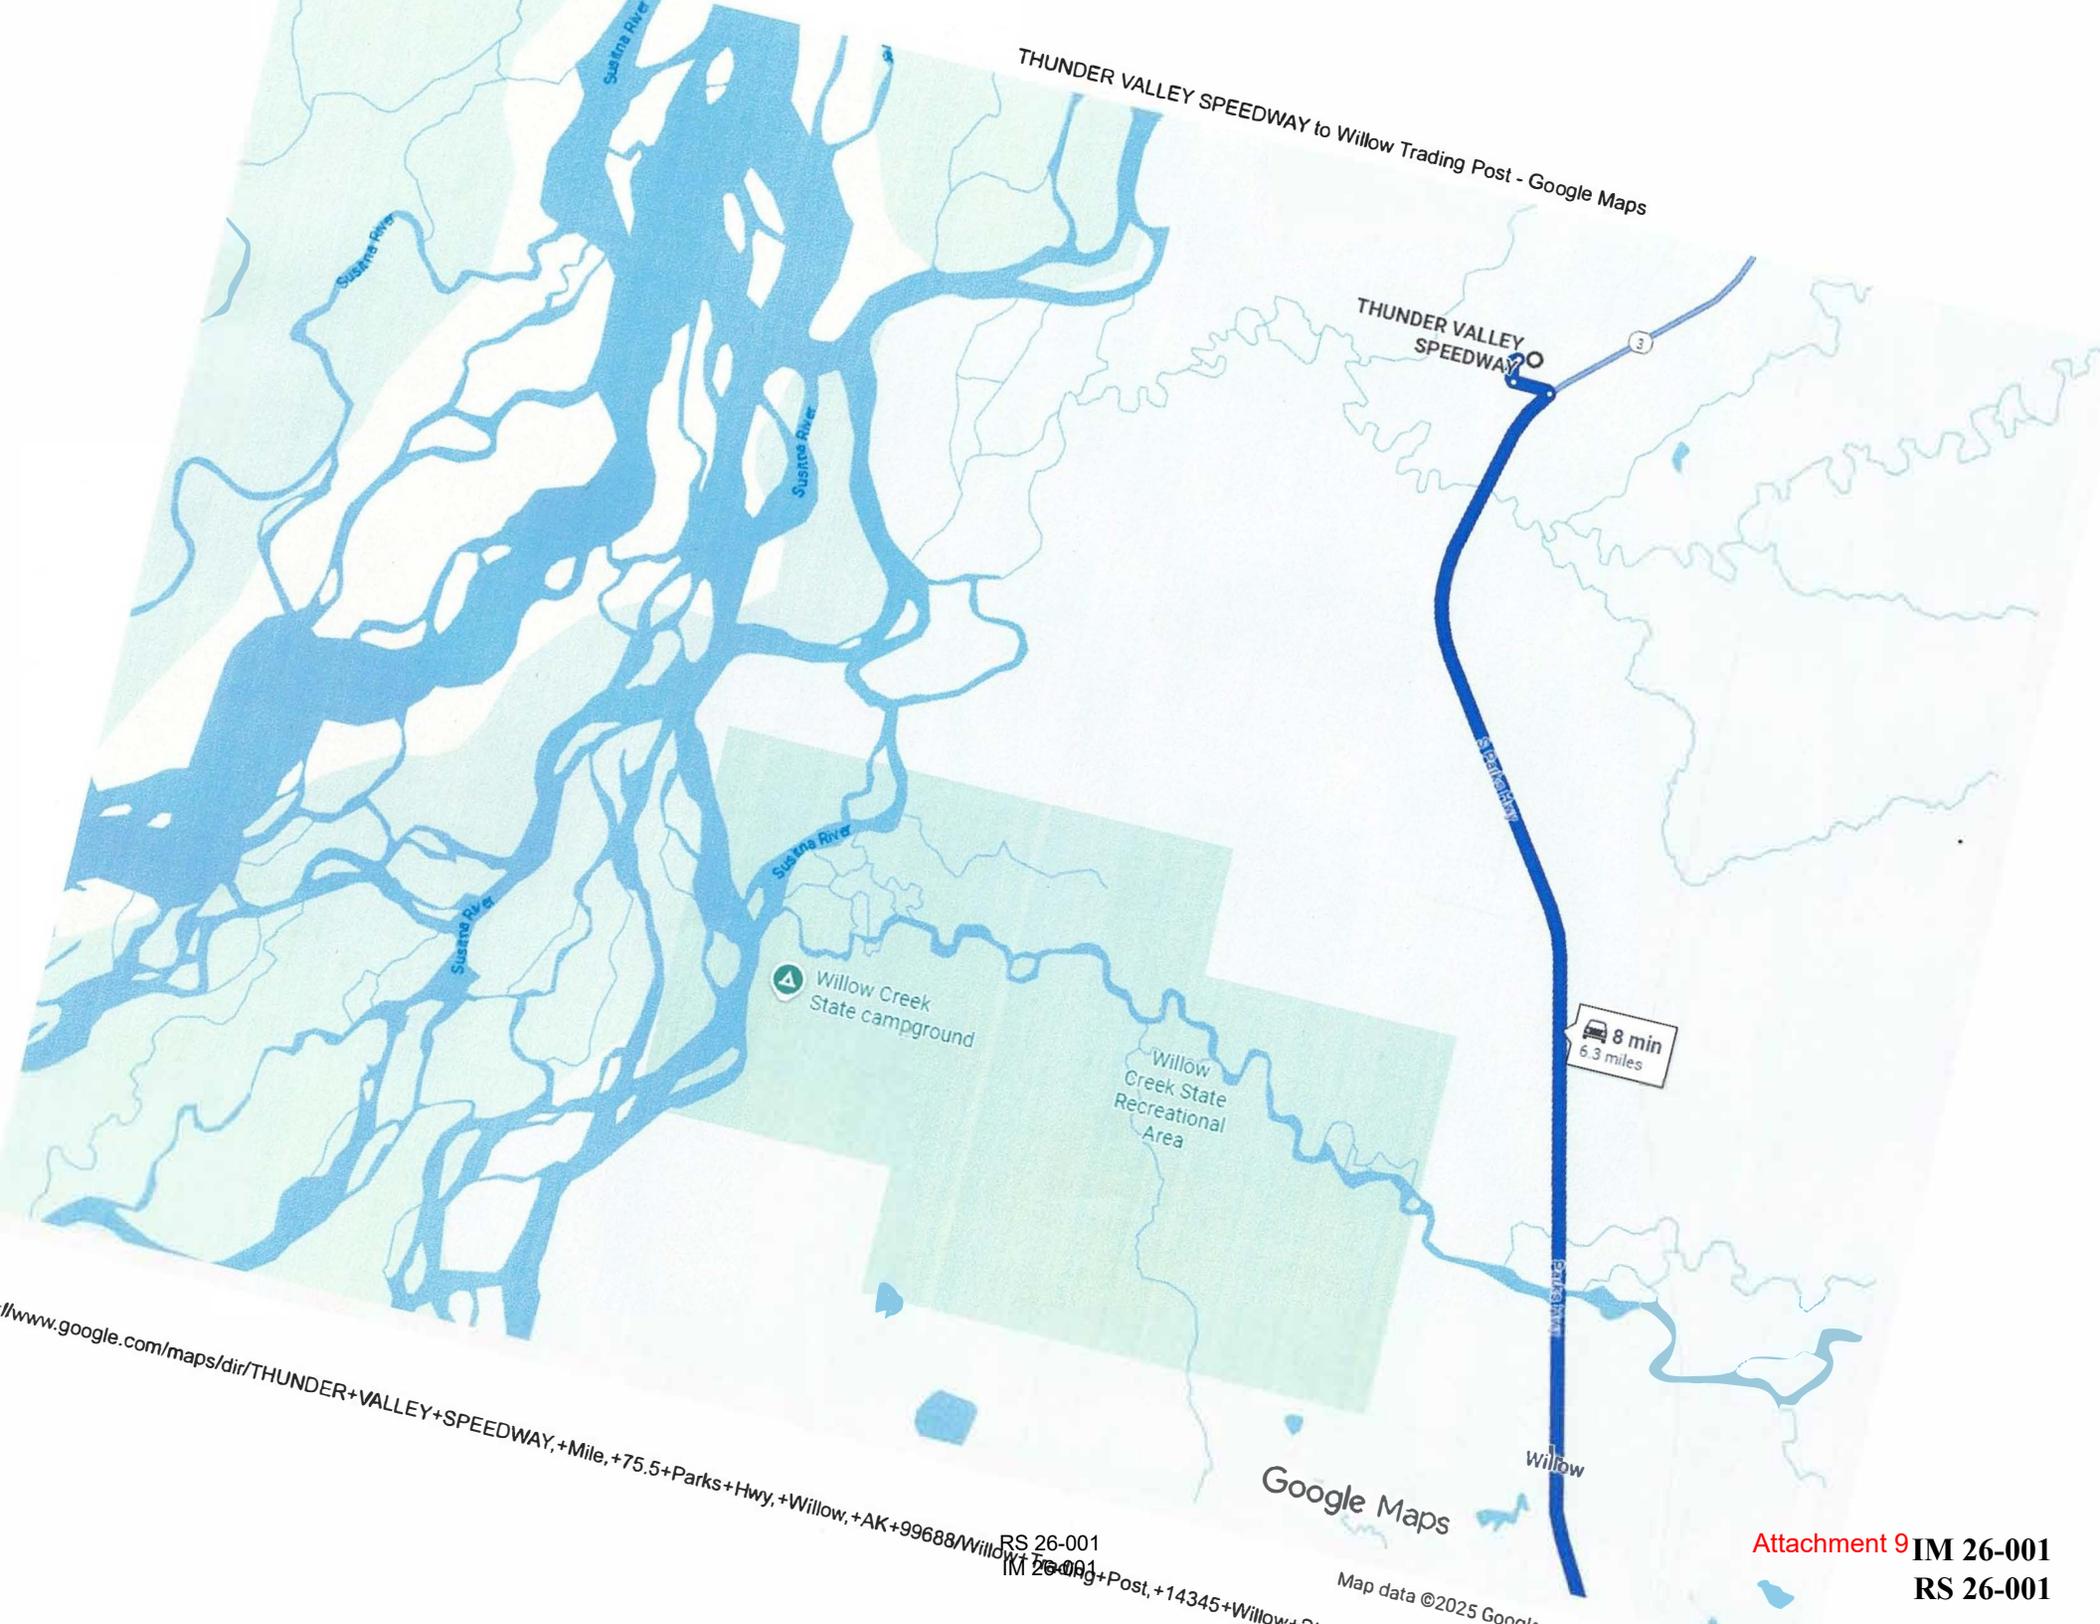

Sincerely,

PATRICIA R. HEFFERAN

Please see the attached spreadsheet that shows the active licenses in the Matanuska-Susitna Borough with previous addresses for each license. The spreadsheet has been filtered to exclude licenses inside city limits of Wasilla and Palmer. This information should help you determine how many of these licenses are within a 10-mile radius of license #233 based on previous address.
