XII. MAYOR, ASSEMBLY, AND STAFF COMMENTS

Assemblymember McKee opined that Ordinance Serial No. 25-047 should be brought back for discussion regarding potential increases to the Assembly and Mayor's salaries.

Assemblymember Sumner stated that he listened intently to all testimony provided. Noted that people generally dislike taxes and that budget decisions can be difficult. Spoke to the need for the Assembly to be good stewards of others' money.

Assemblymember Bernier thanked everyone for attending the meeting. Said a prayer.

Assemblymember Nowers spoke to concerns with possible damage to roads with the lifting of seasonal weight restrictions. Stated that repairs to the roads will be at the expense of taxpayers. Noted that she read all the public opinion comments that were provided regarding school district funding concerns. Opined that teachers are doing a great job on behalf of students. Stated that funding the School District is a tough situation that cannot be minimized. Noted that if the Assembly were to fund the school district to the cap that it would be an additional \$600 per year burden on property taxpayers. Commented that she does not want to see any school closed as she can envision the long-term impacts of doing so. Opined that now is not the time for the body to discuss giving themselves a pay increase when there are more important funding concerns.

Assemblymember Fonov thanked the body for their patience while he attended the meeting telephonically. Stated that he does not want to see any schools closed but acknowledged that the discussion may be unavoidable. Spoke in support of lifting seasonal weight restrictions. Stated that he is disappointed that Ordinance Serial No. 25-047 was removed from the agenda. Opined that it is time for the Assembly to have a pay increase.

Yes: 2 - Assemblymember McKee, and Assemblymember Fonov

No: 5 - Assemblymember Bowles, Assemblymember Nowers,
Assemblymember Sumner, Assemblymember Gamble, and
Assemblymember Bernier

Assemblymember Bowles spoke in opposition to data centers. Spoke to the need for the body to focus on industry that will not pollute the environment or infringe on private property rights.

Assemblymember Gamble noted that the State still has seasonal road weight restrictions and that the Borough only has the authority to lift them on roads under its purview. Commented that it could be a problem for contractors who have paid the Borough fee to travel unrestricted on Borough roads, but noted that those same contractors will still have to travel on weight-restricted roads under the purview of the State and could be fined. Commented that he has always been in opposition to the Borough assisting with funding gas line extensions for Enstar. Opined that the company should extend main lines at its own expense and not at the expense of residents. Stated that he is not opposed to data centers as long as they are appropriately located. Spoke in support of job growth and attracting business to the Borough.

XIII. EXECUTIVE SESSION

There was no executive session.
