SUMMARY STATEMENT:

The Community Transportation Grant Match project was established for the purpose of securing the funding due to the State of Alaska, Department of Transportation and Public Facilities under (ADOT&PF) the Community Transportation grant program. Under this program nominations are submitted to the ADOT&PF and if selected the State completes the work on the project and the community provides a portion of the funding.

This legislation will extend the expiration date on the funding in 35473-5500-5501 and 8400-8401 through June 30, 2035. Additional legislation will be sent forward in the coming months consolidating all past Community Transportation projects with funding still due to the ADOT&PF into one account. This will allow for more

efficient tracking and location of funding for Borough staff in the future, when ADOT&PF requests payment for the completed projects.

RECOMMENDATION OF ADMINISTRATION: Approve legislation as presented.
