The reason is that in preparing the ordinance, we were looking to streamline the process and make things easier. Each affected taxpayer gets certified mail about the proposed LID. Since the people paying for the LID pay all the costs, it appeared wasteful to also publish in the paper especially since the assembly agendas are already published.

However, a portion of state law was overlooked and AS 29.46.030(c) requires that the Borough publish a specific notice about proposed LIDs in the newspaper for four consecutive weeks.
