**MATANUSKA-SUSITNA BOROUGH
RESOLUTION SERIAL NO. 18-061**

A RESOLUTION OF THE MATANUSKA-SUSITNA BOROUGH ASSEMBLY AMENDING THE SCOPE OF WORK FOR PROJECT NO. 47519, AERIAL IMAGERY ACQUISITION PROGRAM, TO INCLUDE COLLECTION OF ELEVATION DATA AS WELL AS DEVELOPMENT OF DERIVATIVE PRODUCTS.

WHEREAS, on June 2, 2015, the Assembly approved Ordinance Serial No. 15-075 that approved reappropriating funds from the Information Technology Operating Budget for a multiyear Aerial Imagery Acquisition Program to project no. 47519; and

WHEREAS, in fiscal year 2016, fiscal year 2017, and fiscal year 2018 Capital Improvement Budget submissions, the Assembly approved additional funds into project no. 47519; and

WHEREAS, during the development of the Aerial Imagery Acquisition Program, additional acquisition methods (such as LiDAR) and derivative products such as contours and building footprints were identified as required by users within Borough departments and the public as part of this program.

NOW, THEREFORE, BE IT RESOLVED, the Assembly hereby approves the amended scope of work to include the collection of elevation data as well as the development of derivative products.

ADOPTED by the Matanuska-Susitna Borough Assembly this 7 day
of August, 2018.
