SUMMARY STATEMENT: The Matanuska-Susitna Borough Computer Replacement Schedule allows for computers to be replaced every five years as instructed by the Assembly. This purchase will allow all of the computers that are currently five years old to be replaced for a total of 141 new workstations out of the approximately 880 total workstations.

MSB 3.08.360 authorizes the Purchasing Officer to join other units of government in cooperative purchasing ventures where the best

interest of the Borough would be served.

These purchases will be made through the use of the nationally negotiated contract by NASPO. NASPO/ValuePoint is a cooperative purchasing program facilitating public procurement solicitations and agreements using a lead-state model. NASPO is a non-profit organization dedicated to providing State Chief Procurement Officers with the support and procurement resources they need.

NASPO/ValuePoint provides the highest standard of excellence in public cooperative contracting. By leveraging the leadership and expertise of all states and the purchasing power of their public entities, NASPO/ValuePoint delivers the highest valued, reliable and competitively sourced contracts - offering public entities outstanding process.

By utilizing NASPO pricing, the Matanuska-Susitna Borough is able to leverage the buying power of government agencies in all 50 states through nationally negotiated supplier contracts while still being able to work with in-state participating vendors.

This purchase supports various Mat-Su Borough departments in all assembly areas.

RECOMMENDATION OF ADMINISTRATION: Authorization to purchase **FY24 COMPUTER REPLACEMENTS** from **GOVERNMENT COMPUTER SALES** for the amount of **ONE HUNDRED FIFTY-FOUR THOUSAND SEVEN HUNDRED FORTY-SIX DOLLARS AND NO/100 CENTS (154,746)**.
