SUMMARY STATEMENT: This Resolution is being sponsored by Assemblymember McKee.

This resolution directs the Fish and Wildlife Commission to become more active in analyzing and recommending measures affecting wildlife, and in particular, game animals. The goal of these activities should be to protect and enhance the availability of game animals and hunting opportunities in the Matanuska-Susitna Borough.

This resolution also directs that the Fish and Wildlife Commission provide reports to the Borough Assembly in March, June, September, and December 2022 as to the status of their activities as directed by this Resolution.

Staff,

I'd like to file for reconsideration of Resolution 21-128 so I can research the issue more and make sure we're headed in the right direction for the community.

Respectfully,
