

I MOVE to amend Resolution 22-097 to include the following under Borough Action Priorities:

- Support collaboration between the State and Federal Management to reduce bycatch.
- Increase funding for fish weirs in the Mat-Su Borough and increase genetic sampling to improve salmon management
- Fully match federal funds from license fees to maximize federal dollars for Fish and Game
- Hold State Board of Fish meetings at a neutral site rather, such as Anchorage, rather than in the Mat-Su Borough or Kenai Peninsula Borough.
- Maintain the conservation Corridor for salmon
