**MATANUSKA-SUSITNA BOROUGH
RESOLUTION SERIAL NO. 24-030**

A RESOLUTION OF THE MATANUSKA-SUSITNA BOROUGH ASSEMBLY AMENDING THE SCOPE OF WORK AND BUDGETS FOR THE ON-LINE WEB PRESENCE AND GIS ONLINE MAPPING PROJECTS.

WHEREAS, the intent and rationale for this resolution can be found in the accompanying Informational Memorandum 24-060; and

NOW, THEREFORE, BE IT RESOLVED, that the Assembly approves the amended scope of work and budgets for the On-line Web Presence and GIS Online Mapping.

SCOPE OF WORK FOR ONLINE WEB PRESENCE

The Borough has continued to grow its online web presence to make many Borough department duties more efficient. Our online web presence includes items like online web maps & apps, the Borough website, ESRI Hub sites, and Ecommerce just to name a few. With these efficiencies, employees will be better equipped to meet the ever-increasing demand for services from an ever-growing population without a proportionate increase in Borough workforce. This money will be used for staff augmentation for project management, business analysis and technical services with local prequalified vendors and will allow for the use of a project employee and/or consulting services for its completion.

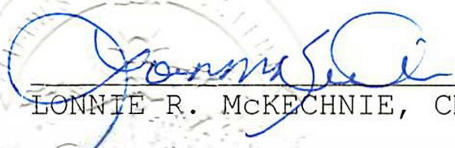

AMENDED BUDGETS
