SUMMARY STATEMENT: The citizens of the Trapper Creek area have made it known to the Borough that they would like to create a volunteer fire service to provide fire protection services to the Trapper Creek area.

In order to register with the Alaska State Department of Public Safety, Division of Fire Protection, the Trapper Creek Volunteer Fire Service must obtain legislation from the Borough Assembly which conveys the Borough's non-objection to the creation of a volunteer fire department in the Trapper Creek area.

In this case, the Matanuska-Susitna Borough is not objecting to the formation of Trapper Creek Volunteer Fire Service, so that they may register with the State of Alaska.

RECOMMENDATION OF ADMINISTRATION: The Administration recommends that the Matanuska-Susitna Assembly not object to the formation of the Trapper Creek Volunteer Fire Service, as described above.
