SUMMARY STATEMENT: On April 11, 2019, the Matanuska-Susitna Borough issued solicitation 19-100B requesting bids from qualified contractors to furnish and install fencing and gates for the Solid Waste Division of the Public Works Department. The fencing is required to come into compliance with State of Alaska Regulation 18 AAC 60.220 Access Control.

The work includes the installation of a new chain link fence on the western and southern areas of Cell 4 of the Central Landfill (CLF), this fence will parallel a trail on the Crevasse Moraine trail system. In addition to this fencing scope, several small fencing projects, and several gates will be installed for access to a monitoring well and the commercial scale. The project also provides for a new gate and electric gate opener at the Butte Transfer Station.

In response to the advertisement, four (4) bids were received. The award recommendation is being made to the lowest responsive and responsible bidder.

Work at the Butte Transfer Station shall be completed by June 30, 2019 and the CLF projects shall be completed within 120 days upon issuance of Notice to Proceed. In accordance with MSB 3.08.170(B), Administration requests authority to modify the resulting contract completion date by 30 days for unforeseen circumstances.

The Solid Waste Division of the Public Works Department will be administering the contract.
