In all cases in which bonds may be transferred or exchanged under this ordinance, there shall be executed, and the Borough shall authenticate and deliver, bonds in accordance with the provisions of this ordinance. Any such transfer or exchange shall be without cost to the registered owner, except that the Borough may make a charge for every such registration, transfer or exchange of bonds sufficient to reimburse it for any tax, fee, or other governmental charge required to be paid with respect to such registration, exchange or transfer, and such charge or charges shall be paid before any such new bond shall be delivered. The Borough shall not be required to make any such registration, transfer or exchange of a bond during the fifteen (15) days next preceding an interest payment date on such bond.

The persons and entities identified in clauses (i) and (ii) of the foregoing sentence shall be referred to as the "Eligible Transferee(s)." Section 10. Ownership of bonds. As to any bond, the person in whose name the same shall be registered on the bond register shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal of such bond and the interest on such bond shall be made only to or upon the order of the registered owner thereof or the owner's legal representative, but such registration may be changed as hereinabove provided. Any new bond so delivered may bear a number differing from the number of the bond it replaces.

Section 12. Redemption of bonds. The bonds are subject to redemption at the option of the Borough, in whole or in part, at any time. Any redemption of bonds shall be at a redemption price of the principal amount of the bonds to be redeemed, plus accrued interest to the redemption date.

Such notice shall be given at least 30 days but not more than 45 days prior to the redemption date by first class mail, postage prepaid, to the registered owner of any Bond to be redeemed at the address of the registered owner appearing on the bond register.

Section 14. Payment of redeemed bonds. Notice of redemption having been given in the manner provided in this ordinance, the bonds so called for redemption shall become due and payable on the redemption date stated in said notice at the applicable redemption price on said date plus interest accrued and unpaid to the redemption date upon presentation and surrender thereof at the office of the Borough. If, on the redemption date, moneys for the redemption of all the bonds to be redeemed, together with interest accrued and unpaid to the redemption date, shall be held on behalf of the Borough at the office of the Borough so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then from and after the redemption date the bonds so called for redemption shall cease to bear interest.

Section 16. Establishment of guaranty fund. There is established the West Northshore Drive #3 Noncontiguous Natural Gas Local Improvement District No. 600 special assessment bond guaranty fund (The "guaranty fund") to which the Assembly shall annually appropriate a sum the Assembly determines to be adequate, with other available funds, to cover a deficiency in meeting payments of principal and interest on the bonds if the reason for the deficiency is nonpayment of assessments when due. Money received from actions taken against property for nonpayment of assessments confirmed by Ordinance Serial No. 19-046 of the Borough shall be credited to the guaranty fund. Amounts in the guaranty fund shall be used to pay principal and interest on the bonds when other funds are not available for that purpose.

Section 17. Disbursement of bond proceeds for project costs.

That part of the bond proceeds required for costs of the project shall be deposited in the West Northshore Drive #3 Noncontiguous Natural Gas Local Improvement District No. 600 construction account, which is hereby established within the West Northshore Drive #3 Noncontiguous Natural Gas fund 825, heretofore established by the Borough. There shall be paid from this account all amounts required for costs of the project.

Section 18. Establishment of reserve and refund account.

A. There is established the West Northshore Drive #3 Noncontiguous Natural Gas Local Improvement District No. 600 reserve and refund account (the "reserve and refund account") within the West Northshore Drive #3, fund 825.

B. There shall be paid into the reserve and refund account:

1. That part of the bond proceeds not expended or required for the initial LID expenses such as construction of the road improvements, bond counsel fees, and similar expenses, and all anticipated administrative costs; and

2. Any sinking fund and guaranty fund balances after discharge of the bond.

C. At the end of each fiscal year, interest on the average reserve and refund account balance during the fiscal year at the rate determined by the Finance Director to be the average interest

earned on Borough investments during the fiscal year shall be transferred from the general fund to the reserve and refund account.

D. Until the bonds have been discharged, the funds within the reserve and refund account may be used only to pay the difference between the amount of principal and interest due on the bonds and the amount of special assessment payments including interest, received and available to pay that amount; provided, if the Finance Director determines that the amount of funds available in the reserve and refund account substantially exceeds that which is reasonably expected to be needed to meet assessment delinquencies, the Finance Director may, to the extent of such excess, make a prepayment on the bonds.

E. At such time as the Finance Director determines that the sum of the amounts in the reserve and refund account, the guaranty fund and the sinking fund equals or exceeds the amount required to (i) discharge the bonds, (ii) pay all refunds of assessments required upon discharge of the bonds, and (iii) pay any other amounts that may be owing on the bonds, the Finance Director shall cause such payment to be made and the bonds to be discharged.

Section 19. Establishment of sinking fund. There is established the West Northshore Drive #3 Noncontiguous Natural Gas Local Improvement District No. 600 sinking fund (the "sinking fund"). Payments of principal and interest on assessments confirmed

by Ordinance Serial No. 19-046 of the Borough shall be deposited in the sinking fund. Amounts in the sinking fund shall be used to pay principal and interest on the bonds, and are hereby pledged for that purpose. At the end of each fiscal year, interest on the average sinking fund balance during the fiscal year at the rate determined by the Finance Director to be the average interest earned on Borough investments during the fiscal year shall be transferred from the general fund to the sinking fund.

Section 20. Distribution of reserve and refund account funds.

A. Upon the discharge of the bonds, and the payment of all refunds of assessments required upon the discharge of the bonds, the funds remaining in the reserve and refund account shall be distributed as provided under this section.

B. The Finance Director shall distribute the balance of the reserve and refund account by sending to each owner of record as shown on the most recent records of the Borough assessor an amount equal to the fund balance divided by the number of lots within the LID. If any lot or tract within the LID is divided into two or more lots, the refund for such resubdivided lots shall be computed by counting the resubdivided lots as a single lot for purposes of determining the initial refund entitlement. The initial refund entitlement shall then be divided equally among the resubdivided lots.

Section 21. Arbitrage covenant. The Borough covenants with the registered owners of all bonds at any time outstanding that it will make no use of the proceeds of the bonds which will cause the bonds to be "arbitrage bonds" subject to federal income taxation by reason of section 148 of the 1986 code. To that end, so long as any of the bonds are outstanding, the Borough, with respect to the proceeds of the bonds, shall comply with all requirements of said section 148 and of all regulations of the United States Department of Treasury issued thereunder, to the extent that such requirements are, at the time, applicable and in effect.

Section 22. Compliance with 1986 code. The Borough hereby covenants to comply with any and all applicable requirements set forth in the 1986 code in effect from time to time to the extent that such compliance shall be necessary for the exemption from federal income taxes of the interest on the bonds. The Borough hereby further covenants to observe any and all applicable requirements in any future federal tax legislation to the extent that such compliance is determined by the Borough to be legal and practicable and required for such exemption.

Section 23. Bond sale and agreement. The sale to the purchaser of not to exceed \$37,000 principal amount of the bonds as provided in the Agreement, is hereby authorized and approved.

Section 24. Delivery of the bonds. The proper officials of

the Borough are authorized and directed to execute all documents and to do everything necessary for the preparation and delivery of a transcript of proceedings pertaining to the bonds and the printing, authentication and delivery of the bonds in definitive form to the purchaser.

Section 25. Ratification. All actions taken by the Mayor, Manager and the Finance Director relative to the sale of the bonds are hereby in all respects ratified and confirmed. The appropriate officers of the Borough are hereby authorized and directed to do all things necessary for the prompt execution, issuance and delivery of the bonds and for the proper application and use of the bond proceeds.

Section 26. Authority of officers. The Mayor, the acting Mayor from time to time, the Borough Manager, the acting Borough Manager from time to time, the Finance Director, the acting Finance Director from time to time, the Borough Clerk and the acting Borough Clerk from time to time, are, and each of them hereby is, authorized and directed to do and perform all things and determine all matters not determined by this ordinance, to the end that the Borough may carry out its obligations under the bonds and this ordinance.

Section 27. Pledge of funds. All assessments levied in the LID, interest thereon and foreclosure proceeds thereof, are hereby irrevocably pledged to the payment of the principal of and interest

on the bonds. The pledge under this section remains in effect until all of the bonds have been discharged.

Section 28. Miscellaneous. No recourse shall be had for the payment of the principal of or the interest on the bonds or for any claim based thereon or on this ordinance against any member of the Assembly or officer of the Borough or any person executing the bonds. The bonds are not and shall not be in any way a debt or liability of the state of Alaska or of any political subdivision thereof and shall not create or constitute an indebtedness or obligation, either legal, moral or otherwise, of said state or of any political subdivision thereof.

Section 29. Severability. If any one or more of the covenants and agreements provided in this ordinance to be performed on the part of the Borough shall be declared by any court of competent jurisdiction to be contrary to law, then such covenant or covenants, agreement or agreements shall be null and void and shall be deemed separable from the remaining covenants and agreements in this ordinance and shall in no way affect the validity of the other provisions of this ordinance or of the bonds.

Section 30. Appropriation. There is appropriated for the purposes set out in this ordinance, all assessments and interest thereon from the assessments levied in the LID and assessment foreclosure proceeds. The appropriation under this section does

not lapse until the final refund required under Section 20.B. of this ordinance has been made.

Section 31. Effective date. This ordinance shall take effect upon adoption.
