Ordinance Serial No. 19-103 (7 pp.)

SUMMARY STATEMENT: This ordinance is being brought forward at the request of Assemblymember Sumner to add a requirement to Borough projects that contractors utilize apprenticeships for a minimum of 10 percent of all labor hours worked. The apprenticeship requirement only applies to projects costing in excess of \$1,000,000.

The Matanuska-Susitna Borough continues to lead the state in population growth and as a result, more opportunities exist in the construction industry. A well-trained labor force is essential for

the Borough to continue in efficient and economical construction projects. Apprenticeship programs contribute to creating a well-educated and experienced labor force. Promoting apprenticeship utilization will assist the Borough in the long-term in creating a strong work force and ultimately provide for more efficient and cost-effective Borough projects.
