**SUMMARY STATEMENT:** Pursuant to MSB 25.20.030, the Clerk recommends the election officials (workers) on the attached list for the November 3, 2020, Regular Election and requests Assembly confirmation. The Clerk may make adjustments, when necessary, to election officials as required to conduct the election.

As of today, 07/27/20, we are 14 officials short to man the precincts. This is due to some election official applications that we have from Willow north, where the precincts in those areas are closed. The majority of these applicants would not want to travel this far south to fill in at precincts that need officials.

Per MSB 25.20.030(A)...."The Clerk may make necessary adjustments to the election boards as required to conduct a properly held election"

and

MSB 25.20.030(E) "Failure to serve. If any election official fails or refuses to attend and serve, the clerk shall appoint

a person eligible under this section to serve in place of the absent election officials."

Due to these two code sections, the Clerk will continue to recruit election officials to make the necessary changes. Also, due to COVID-19 there may be a lack of officials who are willing to work. Due to this, the Clerk will recruit Borough employees to serve as election officials. Those Borough employees who choose to work as an election official will get paid their normal hourly wage. The payment of the wages will be provided by the CARES Act funding that was provided to help properly run the election due to COVID-19. The CARES Act funding will cover the employees wages whether they work and get paid from the Areawide fund, nonareawide fund, or from a service area fund.

**RECOMMENDATION OF ADMINISTRATION:** Confirmation and approval of election officials for the Regular Borough Election.
