SUMMARY STATEMENT:

The Community Assistance Program is a grant program administered by the Department of Commerce, Community, and Economic Development. The program began as the Community Revenue Sharing program in fiscal year 2009 and has been funded every year since. The program allows funds to be passed to the unincorporated community through a native village council or incorporated nonprofit entity that will agree to receive and spends the funding for the public benefit of the unincorporated community.

To qualify for the program the communities must have at least 25 residents and pay for three of the following services: fire protection, emergency medical, water and sewer, solid waste management, public road or ice road maintenance, public health, and search and rescue. Once the amount of funding is known, an ordinance will be presented to the Assembly to accept and appropriate the funds.
