Platting Officer, Fred Wagner informed the board of upcoming items:

- There is 1 case scheduled for April 16, 2026 Platting Board.
- Grizzly Hills 2 MSP

9. BOARD COMMENTS.

- Member Liebing – I have 2 comments, I think that this case that we continued is an opportunity for us to us collectively as the board, as the Platting Division, the developer and the neighborhood to come up with a better solution potentially than what was there. I'm encouraged that we have people attempting to do that up on Fishhook and then I would just add my congratulations to the group. Fred, I know that your going to enjoy the hell out of retirement and I look forward to finding your food truck at some point out here and having a little brisket.

- Member Kevan – I concur, I think that last case, it is important that we do look at the public opinion to the degree that it is worthy, not just the complaints of peoples kids playing in the roadway. That's called disorderly conduct and that's actually not caring for your children in a roadway. Everybody wants to use that excuse. Coming from a law enforcement, retired law enforcement background, I don't tolerate that. And it just irks me every time somebody brings that up. The roadways are public use for everybody; we all have to share it. Play nice. When we have areas like this I think, in my experience over the years to in seeing these types of situations if the Borough is able to come up with a great solution that helps everybody I think that's great but as Fred has pointed out, connectivity is required and I think that we shouldn't forget that point as well. Congratulations Fred.
- Member McBride – I agree with all of that too, congratulations Fred on your retirement.
- Member Chiavetta – Also being from law enforcement here, we kind of hear the same things over and over. People speeding, people doing that, it doesn't negate what we have to do. Law enforcement needs to do their job and to people that fund law enforcement need to fund them so that they have the ability to do their job and such things. You know frankly here in Alaska you just don't see the ability to patrol neighborhoods like you do in major like when I policed in Florida we'd get complaints and we'd be at a neighborhood writing tickets. The ability to do that is not here but that doesn't negate the fact that we need to have the connector road but like I suggested that its good that they're willing to try to come to some sort of conclusion to make everybody happy. Didn't have to do it so good on you guys for wanting to do that. Fred anytime you want to play poker, let me know buddy.
- Member Gillson – Best wishes to Fred on his retirement.
- Member Traxler – Gonna miss you Fred, I wish you well and don't be a stranger.
