**SUMMARY STATEMENT:** Pursuant to MSB 25.20.030, the Clerk recommends the election officials (workers) on the attached list for the November 3, 2026, Regular Election, and requests Assembly confirmation. The Clerk may make adjustments, when necessary, to election officials as required to conduct the election. Not all precincts are fully manned currently nor is there enough hand count officials. The Clerk's Office is awaiting applications from precincts officials and is recruiting to fill the outstanding precinct boards and will make appointments to fill the vacant positions as noted in the list of officials appointed here. The Clerk's Office is presenting this legislation earlier than pervious years due to the fact the Alaska State Division of Elections is recruiting from the same pool of individuals to hire. We hope to secure positions as soon as possible so not to lose workers.

**RECOMMENDATION OF ADMINISTRATION:** Confirmation and approval of election officials for the Regular Borough Election.
